A.F. Bridges State Award of Excellence

Buddy Pate, Principal

Eagleville School was recently presented the prestigious A.F. Bridges State Award of Excellence at the TSSAA Regional Meeting on November 5th in Nashville. Eagleville School was one of only nine schools to receive this award in the state of Tennessee. The school received a nice trophy, a banner to be displayed in the gymnasium, and a \$1000 scholarship to be given to the student of their choice. This award was given in recognition of the high ideals of ethics and integrity in the teaching and promotion of citizenship and sportsmanship. Quote, “We are proud to receive such a prestigious state award for citizenship and sportsmanship. This is a deserving award for the Eagleville coaches, faculty, students, fans, and community.”

# CHRISTMAS EVERYDAY

Anytime of the year that Jane Wilson, of Eagleville, wants the feel of Christmas, it's only a few steps away in her own home.

Jane began the collection of her Christmas Village in 1992 after one of her daughters bought her a small snowman. This was her inspiration which hasn't stopped since. The Christmas scene began in the upstairs living room but as the collection grew it would take hours just to set the Village up and take it back down for the season.

Husband, Don Wilson, began the work on a special room in the basement of their home that could be de-

voted only to the Christmas Village so that the display could remain up year around. Now, everything in the village can be lit up with one touch and every piece has lights.

From moving trains, snow skiers, mountains, lakes, a magical castle in the sky, deer running around the mountains, and ice skaters on the lake. Once the power has been switched on, you feel as if you've stepped into a magical land. There's even an airport with a lighted landing strip. The newest piece was just purchased this month, the "Dairyland Creamery".

As you talk to Jane about the care of her Village, there's not doubt, she's just begun. Jane has purchased many of her own pieces, but most of the pieces are gifts from her husband and her children.

## Football Recap of 2003

October 30 saw the last home varsity football game for the 2003 season. And although it was the last game, 2003 was a season of celebrations of firsts! 2003 saw the dedication of a home football field and stadium, Talon Field. Completed as minutes counted down by a combination of county funds and volunteer labor both the Middle School and High School players enjoyed the experience of playing on the "home" field. The athletic complex includes a concession stand, fan wear and merchandise building donated by Crosslins, and a ticket booth. A softball field is still under construction. The crowd was lead by the football cheerleaders who worked hard over the summer to learn cheers and stunts and enjoyed the performance of the band during half time. Homecoming celebrations were expanded this year with a parade through Eagleville and procession of attendants and winning floats on the track during half time.

Eagleville played Cornersville on Senior Night and experienced another first for this season, their first win of the season and a big win at that. The final score against Cornersville was 38 to 7. In addition to the football game, the crowd

helped honor the senior players, cheerleaders, band member and their families with a rose ceremony before the game. Senior players include Adam Carlton, Tommy Eden, Tim Mathison, Jeff Bailey, Jesse Emery and David Peterson. Emily Porter, Kineatha Thompson, Ashonte, Michael Burrows, and Josh Bolden are cheerleaders who graduate this year. Ashley Ladd is the senior band member honored that evening.

In addition to the win on the 30<sup>th</sup>, 3 Eagleville Players made the top ten in district statistics: Jesse Emery is ranked 8<sup>th</sup> in receiving yards, Brandon Lamb is ranked 2<sup>nd</sup> in pass completion yards, and Jeff Bailey is ranked 1<sup>st</sup> in receiving yards. We are proud of all the players on the high school and middle school teams for their hard work and dedication to the football program. Just think, spring practice is just a few short months away...

## Earl Carlton

EAGLEVILLE TIMES

Page 7

Eighty-one year old, Earl Carlton, born in Rover, is a gentle-spoken man with a broad smile and playful humor. He got his start in the grocery/hardware/drygood business when he was just 11 years old, peddling wagon loads of supplies from his daddy's store in Jungletown. Peddling from door to door when those doors could be miles apart. When Earl Carlton was about 13, he drove an old truck all around Jungletown. "Everywhere I went, there was always a woman at home," he remembers of those long-ago days before women stormed the workforce. He could count on them to buy eggs or something.

Carlton served with the Army Corps of Engineers in World War II, returning a D-Day hero in time to help his father, Clayton Carlton, sell the Jungletown store and then in 1946, opened the new business in Rover.

In 1963, when his father retired, Carlton started relying on the invaluable assistance of his wife, Lavada, in keeping the store. Married for 56 years, the couple have two children, Steve Carlton and Donna Belew. On May 14,

2001, Earl Carlton received his high school diploma from Central High School in Bedford County.

Carlton's General Store's long-time slogan, "We Sell Most Anything". Merchandise covers all but a few feet of wall space throughout the General Store. Some of the inventory appears to have been there since the store opened in 1946. Most of the merchandise is still in the box it arrived in, pushed into a convenient spot where only Earl or Lavada knows. Carlton will confess that he and his wife waste no time worrying about the operation of their business. If he chooses to take a mid-day break from the store for a quick nap, he figures he's earned the break and Lavada is happy to relieve him.

A "general conference room" is located on the side of the store where folks come by to work over the world's situation, watch TV, whittle and talk.

Last October a wind storm took the

roof off the store but it wasn't long before Carlton was back in business.

## New Minister for the Rockvale church of Christ

For the past five and a half months a search has been underway to find an individual to fill the position of minister for the Rockvale church of Christ. We are proud to announce as of November 1, 2003, Don Mangrum came to fill this position.

Don is a native of Arkansas, growing up and sharecropping on a cotton farm during his younger years. He received his BS degree from Arkansas State University and holds a degree in Bible from Harding University. He has served as pulpit minister for churches in Arkansas, held the position of elder and preached in numerous congregations during his 30 plus years while serving in top management in manufacturing around the country.

Over the years he has traveled worldwide and has developed an ability to have great concern and a desire to care for people, as well as a genuine willingness to serve, as God would have him do. While working with Rockvale he will also keep his commitment to Christiana Elementary School for which he sees a need, working with

children.

We welcome Don and his wife Kayla to the work at Rockvale along with their family members we have also grown to appreciate over the last few weeks.

We extend an invitation to all area residents to come worship with us. We are located on Rockvale Road, one mile off Highway 99, soon to be located in our new building being constructed at the corner of Rockvale Road and Highway 99. You will be met with warm, friendly and loving people working together for better unity and Christian homes.

## Eagleville United Methodist Church

Rev. Trey Lambert

There are some people that you just like to be around. You know the kind that I am talking about. Maybe you are close to some of those people. For some, it may be somebody famous, or flamboyant. To others it could be that person that speaks only when they need to, and when they do, it is usually a wise statement that they make. You just feel close to these people. Their presence puts you at ease and makes you feel good about yourself and the rest of the world. These people are always surrounded by others not because they crave attention, but because they are magnetic. I like to be around those people.

Jesus must have been one of those people. It seems that everywhere he went, a crowd followed. Maybe they wanted to see him perform a miracle. Maybe they liked to hear him speak. Either way, he was magnetic. In John 12:32 he said, "If I be lifted up, I will draw all men unto me." He was talking about his crucifixion. When we view the Savior in light of the darkness of this world, his saving power draws all to him. It radiates. It beckons. It doesn't exclude, but rather reaches to the farthest edges of humanity with arms long enough, and gently pulls all who will allow it toward the living, lifted Lord. Closer. Closer. Nearer. Dearer.

At Eagleville Methodist Church, we seek to continue lifting Christ up for all to see. In a world that can get pretty dark, we acknowledge Christ as the true light that makes the darkness melt away, just as the sun can chase away the blackness of night. We want to see lives changed and as we pray to be an instrument in God's hands, we hear the phrase, "If I be lifted up" again and again. Come worship with us. **Sunday School for all ages: 9:30 am** **Worship Service: 10:45 am**  
**Wednesday Evening Prayer/Study: 6:30 pm**

at the COLLEGE GROVE ARTSITORIUM

The Lions Club of College Grove is kicking off a new community based fundraiser, "The Lions Cinema". The Lions Cinema will show Classic films in their original theatrical format on a 20' screen complete with a curtained opening and a pre-show cartoon. The Lions club will also be showing a 2 minute short film featuring the College Grove community.

Concessions will be sold and consumed in the lobby before the show, at intermission, and following the show. Relive the magic of the hometown cinema!

**When:** The Lions Cinema premier was held November 15th, 2003 at 7 PM. Future shows will be held on the first Saturday of every month at 7 PM unless otherwise posted.

**Where:** The Lions Cinema is held in the remodeled, 306 seat, College Grove Artsitorium. From I-840 take exit #42. Theater is located 4 miles south of the exit on Highway 31-A in College Grove.

**Why:** Sitting beneath the glow of a projector, time stands

still, age fades, and the story of life on the screen speaks to each in its own way. Few things can bring so many in our community under one roof like a movie... its message seems to be universal and, for a few moments in the dark together, we celebrate our hopes and dreams, and remember the magic of the "small-town theater," where each ticket is a passport to another world. The Lions Club of College Grove, in a continuing effort to build our community and create fundraisers to benefit those in need, would like to welcome you to a trip down memory lane at the Lions Cinema. Lions have always strived to provide financial help and vision services to our local communities. We can think of no better way to celebrate the value of sight while supporting the Arts than bringing a Cinema to our town. Movies are a symphony of Art, a place where stage, photography, literature, and music all meet in one medium to paint a picture and create an emotion that lives in our memory forever. We thank

you for your support and are honored to have you as our guest and patron as together we build and help our community!

**Who:** The contact person for the Lions Cinema is Thaddeus Schwartz. His contact information is listed below. For show details and advance ticketing call our movie hotline.

## Senior Center Needs Help to Write the History of College Grove

The College Grove Senior Enrichment Center history class needs help from all area residents who have an interest in history and writing or both to work on the College Grove History Project. This project has been in the works for a year but it needs more volunteers to help write and compile this community history. "This project needs any and all individuals who love local history or simply want to work on a book project," says Carolyn Smotherman, project worker.

The center is also looking for College Grove residents, past and present to write a 500 word family history. These family histories should be written in third person and in paragraph form. A family photograph to be included with the printed history should be included.

If you want to send in a family history or other materials, please contact Carolyn Smotherman at either carolynogenealogy@aol.com or 615-368-7217. Materials could also be left at the College Grove Senior Citizen Center that is open Monday through Friday from 8 am-3 pm.

# Christmas Stocking

Christmas bounty is often the tiny treasures that stockings hold.

Legend has it that the first Christmas stocking was filled with gold coins, then tossed through the window of a poor nobleman's home to provide a dowry for his beautiful daughter. And since the man had three daughters--they always seem to in legends--the miracle was repeated three times. On the third night, however, the delighted father caught a glimpse of his benefactor--Saint Nicholas himself. Through the years, the custom of hanging stockings may have become less marriage-oriented (and the stocking-stuffers less pricey), but it's no less magical, especially for little ones,

## JAM CAKE

6 eggs  
2 cups sugar  
2 cups blackberry jam  
4 cups flour, self-rising  
2 cups raisins  
1 cup buttermilk  
1 teaspoon allspice  
1 teaspoon cinnamon  
1 teaspoon nutmeg  
1 teaspoon cloves  
½ cups butter  
1-jar maraschino cherries  
1 cup pecans, chopped

## TOPPING & FILLING

1½ cups coconut  
1½ cups raisins  
1½ cups pecans, chopped  
1½ cups sugar  
1¾ cups milk  
1½ teaspoons flour

Mix all ingredients in a saucepan and cook slowly until mixture begins to thicken. After cake has cooled, spread between layers and top. Be sure to save out half pieces of pecans and cherries for decoration.

## SALTED PEANUT CHEWS

1 package Pillsbury Moist Supreme Yellow Cake Mix  
1/3 cup margarine or butter, softened  
1 egg  
3 cups miniature marshmallows

Heat oven to 350°. In a large bowl, combine cake mix, 1/3 cup butter and egg; beat at low speed until crumbly. Press into bottom of ungreased 13x9 inch pan.

Bake at 350° for 12 to 18 minutes or until light golden brown. Remove from oven and immediately sprinkle with marshmallows. Return to oven; bake an additional 1 to 2 minutes or until marshmallows just begin to puff. Cool while preparing topping.

## TOPPING

2/3 cups corn syrup  
¼ cup margarine or butter  
2 teaspoons vanilla  
1 10-ounce package peanut butter chips  
2 cups crisp rice cereal  
2 cups salted peanuts

In large saucepan, combine all topping ingredients except cereal and peanuts. Heat just until chips are melted and mixture is smooth, stirring constantly. Remove from heat; stir in cereal and peanuts. Immediately spoon warm topping over marshmallows; spread to cover. Refrigerate one hour or until firm. Cut into bars. Store in covered containers.

## Margaret's Helpful Hints

Tie your throw pillows up with ribbons and bows and they will look like Christmas packages sitting on your couch. Colorful holiday yarn works especially well and won't get crushed when used.

Watering the tree once there are gifts beneath it can be tricky. To avoid the risk of dampening the gifts during the process, use ice cubes instead of water. They won't hurt the tree or the gifts either.

Place orange rinds, cloves, cinnamon sticks and fresh ginger in a saucepan with water. Bring to a boil, then cover and simmer. The whole house will smell wonderful.

Use a hair dryer on price stickers that won't come off. Wave it across the sticker for a minute or so and when the glue gets warm, the sticker will come right off.

# GREAT DAY FOR A TURKEY SHOOT

On November 1, 2003 the Rockvale Volunteer Fire Department held there annual turkey shoot. The turkey shoot is always held on the first Saturday in November. The weather was beautiful and many shooters showed up to try their luck .At the end of the day 38 rounds were shot. The Rockvale Volunteer Fire Department would like to thank all participants .Thanks, Emily, for the great pictures. They would also like to re-

mind you that they will be starting their picture drive soon. The picture drive and the turkey shoot, are the only fund raisers they currently do. The monies raised from those two events and the money that is received from the county is what is used to run the department from year to year. All members are volunteer ,meaning they do not get paid for any service that they do for the department, except for the gratitude from the com-

munity. They are always in need of members, so if you live in the Rockvale community and would like to become a member of the Rockvale Volunteer Fire Department, just come to a business meeting on the first Tuesday night of every month at 7:00 p.m. If you need directions on how to get there just call station 1 at 274-3682. Please support your local volunteer fire department..

# CITY HALL

There are several people in our city who have been very busy working on making our city more attractive. The Beautification Committee, formed as an Ad Hoc committee by the Mayor, is one group comprised of several ladies that fits into this category.

Over the past many months this group has been responsible for providing you the beautiful banners along our streets. Future endeavors include more efforts to adorn our downtown area plus the planting of trees. The City is currently cooperating with Rutherford County, the other municipalities in the county, and the Chamber of Commerce on a grant-sponsored signage program. Hopefully, after some TDOT decisions/approvals are received, work on special entrance signs into Eagleville can be accomplished. There is a possibility of grant money being available for this also.

Of immediate interest is our Christmas parade on December 6. You will certainly want to be present for this fantastic event. This committee has worked diligently in organizing this event and are to be commended for their efforts. So, when you see Chairman Gloria Hill, Janie Zumbro, Carolyn Barham, Debbie Ryan, Michelle Bennett, Melissa Buchanan, and Kim Baehr say a heart-felt "Thank You" for their time and commitment to making life more pleasant for us.

May you have the spirit of thankfulness and giving in your heart during this Holiday Season.

Nolan S. Barham, Sr.  
Mayor

## Eagleville School PTO

By Dawne Davis

Eagleville PTO has received a \$50,000 grant from the Kids On Stage Foundation and Mr. Aubrey Preston to improve the visual and performing arts programs at Eagleville School. Eagleville will launch its Kids on Stage program with the purchase of a professional sound system with recording capabilities. We are anticipating other major improvements in the visual and performing arts departments this year including new computers and graphics software, keyboards, and enhanced lighting and acoustics for the cafetorium.

Parents, grandparents or community members who wish to become involved with the Silent Auction on December 16 to raise additional Kids on Stage funds, should contact Dawne Davis (274-2741), Tammy Burton or Yvonne Aldaffer. The Silent auction will be held in conjunction with the Annual PTO Chili supper and the elementary Christmas Performance. Also performing on the 16th will be the middle school and high school bands. A community tree lighting ceremony will be held at 6:30. Please mark your calendars! Everyone who attends will get a free candy cane from Santa and a Warm Heart from watching the kids perform! Please join us!

The Eagleville PTO Officers would like to express our thanks to Eagleville School parents, teachers and the Community for your help and support in making the Yard Sale a huge success! Thanks to everyone who donated items and time and to those who shopped. We raised over \$1,000 for the PTO's annual operating fund. ## Mrs. Woodson's Kindergarten

Our class had a Thanksgiving feast in our room on November 25<sup>th</sup> and the children feasted on some food items that the Pilgrims and Indians had on the first Thanksgiving. All of the children had to tell something they were thankful for.

Our class also submitted recipes for cooking a turkey. Here are some great holiday suggestions for that perfect bird!

- Alexandra Givens says to catch a turkey, cut off his head and put him in a big pot. Then you put salt and pepper on him, turn the stove on and cook him for about an hour and it's all done.
- Tanner Warf says to put it in the microwave, heat it up for 4 hours, put it on the table, cut it, then eat it.

## Kindergarten News from Miss Nell's Class

We had a wonderful Thanksgiving Feast on Tuesday, November 25. Our children were dressed as Pilgrims and Indians and each expressed what they were thankful for. In attendance to our feast was Rebecka Jackson's grandparents, Virginia and Hershel Jackson. Rebecka is the fourth generation of Jackson's to attend Eagleville School.

In December, the children will be decorating their classroom with Christmas decoration that they make. Come by and see our holiday decorations. We will also be attending a play at Tucker Theater "The Elves and the Shoemaker".

## First Grade News

Mrs. Renay Anderson and Miss Audra Vaughn's First Grade class had a Thanksgiving Feast in the classroom on November 24<sup>th</sup> and invited teacher to eat.

The first graders enjoyed going to brunch at Shoney's, to the Nashville Children's Theatre to see Laura Engel's Christmas play and to Tinkerbelle Park for recreation on November 14<sup>th</sup>.

The first graders submitted stories for the country book "Reflections".

## What's Happening in Grade 2?

Mr. Jarboe's and Mrs. Vaughn's - November 25<sup>th</sup>

Last week we brought food from home to make a Thanksgiving food basket for less fortunate people in Eagleville. We were glad to be able to give food to them.

We have been interviewed by the Daily News Journal to find out what we are thankful for. We have written letters to Santa, which will be displayed in the Daily News Journal.

We have been studying about the Pilgrims and their journey to America. We have learned about the Mayflower and what life was like on that boat. We have studied about Indians and how they helped the Pilgrims.

We also concluded our fundraiser by having our award presentations and party. Thanks to everyone who bought or sold items!

## Fourth Grade News

Students enjoyed a field trip to the capitol building, Bicentennial Mall and a tour of downtown Nashville on November 6.

Fourth graders learned much local history and enjoyed Mr. John Edward Turners' wit and wisdom when they visited him at his museum. Thanks so much to Mr. Turner.

Fourth grader entries that were selected to compete in the county writing contest were: Matthew Bingham, Emilee Wilson, Jenna Houser, Eugene Haynes, Ryan Ghee and E. J. Patton.

# An English Christmas

Jack McClaran, Bedfordshire, England

EAGLEVILLE TIMES

Page 31

Christmas is my favorite time of the year and I have some happy memories of Christmas past spent on our family farm in Rocky Glade. We were a large clan and there was much visiting and inter family activity at this time.

Christmas in England is celebrated in much the same way except for some of the customs, which go back into the mist of time. Our major event is the family dinner held on the weekend before Christmas Day in the Cotswolds. A beautiful area, which extends from the outer reaches of Greater London to Oxford and beyond. The landscape is similar to middle Tennessee with rolling hills and plenty of woodland.

It is dotted with typical English villages with names such as Duns Trew, Begbroke and Stow-on-the-Wold. My son Anthony lives in the area and he chooses and books one of the characterful pubs in one of the villages. On meeting we can relax in front of a roaring log fire and catch up on family news.

The Wassail Cup, a special Christmas punch is served which greatly enhances the art of gentle conversation! The best of English Pub Cuisine is enjoyed whilst listening to the carols, performed by a local group who donate their proceeds to charity. At some point the mummers arrive to perform a short play, usually in mime, as this ancient tradition is the forerunner to the modern day Pantomime. The modern day pantomimes are usually very lavish productions with stunning costumes and sometimes death defying stunts. They take place in all the major cities, with well-known actors and actresses playing the heroes and heroines, in stories like Cinderella, Peter Pan, and Jack and the Bean Stalk. You have to book well in advance to be able to get tickets for the productions. There are also many local Pantomimes performed by armature dramatic groups. After the festivities, presents are exchanged to be opened on Christmas Day.

We always put our Christmas decorations up in our house just before Thanksgiving, as we have all

the children and their families out one by one before Christmas and without the decorations it would be like any family meal, instead of a Christmas dinner with all the trimmings including the Christmas crackers at the side of your plate. Most of the grandchildren can't wait to crack the crackers and get their gifts from inside, read the funny joke and wear their Christmas paper hat.

Our proper Christmas starts at 11:30 pm Christmas Eve, when we attend Midnight Mass at our local Parish Church, St. Peter's. The Waltham Abbey Monks built the Church in 1180. This is accompanied by Candlelit carols performed by the choir.

After the service, which lasts about 1½ hours it is home for a Christmas snack and maybe a glass of mulled wine (the wine is warmed and herbs are added to it and simmered for 15 minutes) to insure sound sleep, only interrupted by the arrival of St. Nicholas or if said very fast over and over "Santa Claus"!

The traditional Christmas dish use to be roast beef or goose but now days most people have turkey. We are having goose this year and turkey on Boxing Day, when my son and his family are coming to celebrate the festivities for the day and night. With the beef or turkey, we have Yorkshire pudding, a pastry rather like a soufflé. In Yorkshire it is served as a first course. It is a tradition to have brussell sprouts as one of your vegetables. I don't know why! Christmas pudding follows the main dish, and if you're lucky, you may find a sixpence in it! There are plenty of mince pies. In days gone by they were filled with meat but now they are sweet, filled with mixed fruit and suet.

After Christmas dinner there is just enough time for a quick nap before the Queen's Speech at three o'clock. This is filmed from either Buckingham Palace or Windsor Castle a few weeks before Christmas; it is of brief duration during which the Queen wishes her subjects a very merry Christmas and a Happy New Year. She relates one or two high points of the past year and expresses her hopes for the coming year.

The day after Christmas, the Feast of St. Stephen's, the first Christian Martyr is known as Boxing Day. It is a public holiday and the term derives from the opening of the Church poor boxes and the money being distributed to the poor on that day. Today, some people still adhere to Boxing Day by giving a gift of money to those who provide a service throughout the year. We give a Christmas Box to our dustmen who collect our rubbish each week and our post woman.

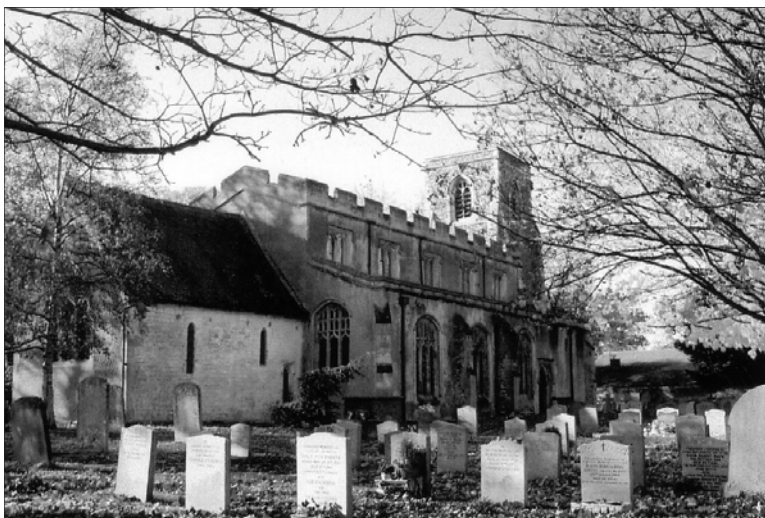

Christmas, the festival of Christ, is a wonderful time and is celebrated throughout the World. A time for reconciliation, a time

of appreciation, of our family, our communities and the many blessings bestowed upon us.

So, wherever you are, enjoy Christmas and be merry! It is a time to rejoice!

The Three Tuns Pub was built in the 16th Century

St. Peter's Church was built in 1180 by the Waltham Abbey Monks

He was born in an obscure village. He worked in a carpenter shop until he was thirty. He then became an itinerant preacher.

He never held an office. He never had a family or owned a house. He didn't go to college. He had no credentials but himself....

Twenty centuries have come and gone, and today he is the central figure of the human race.

All the armies that ever marched, and all the navies that ever sailed, all the parliaments that ever sat, and all the kings that ever reigned, have not affected the life of man on this earth as much as that...

**ONE SOLITARY LIFE**

In the summer of 2001, my husband Fred and I along with Ms. Judy and Katie Cook went to Lebanon, Tennessee to do pony rides for Empower Me Day Camp. We were all blessed with unique kids taking turns riding ponies. As one of the riders, who had cerebral palsy finished her turn, she asked, "Did they see me do it? Our hearts were tremendously touched that day. We soon started making plans for the center.

"Did they see me do it?" Center is located at 341 Floyd Road, here in Eagleville. The facility consist of a seven stall barn with an indoor and outdoor arena. The center has 5 ponies and 1 horse that are in the process of being trained to respect the challenging task of therapeutic riding students.

DTSMDI? Center has applied for 501[c]3. The center will be financed by donations and fund raising events. On December the 12<sup>th</sup> and 13<sup>th</sup> a yard sale will be held at the center from 8 am to 3 pm each day to help with start up cost. Any items that anyone would like to donate can be dropped off at the center or can be picked up by request.

Our goal at the DTSMDI?C is to make a difference in children's daily lives that are physically, mentally or emotionally challenged, by providing them with recreational riding, independence, and self esteem.

Volunteers are very crucial to our program. Some of the jobs that volunteers are needed for are in administration such as fund raising, volunteer management, health professionals and newsletters. Other choices are leading a horse during a lesson, side walking with a student, floaters, barn buddies (junior volunteers, ages 12 and up for assistance in cleaning stalls and grooming before a lesson starts, and to ride ponies once a week) stable management, grounds and maintenance or becoming a certified instructor. By volunteering you can help support the center in making a difference in a child's life.

Rescued horses that are appropriate for the center from the Second Chance Ranch will also be included in our therapeutic riding program and pet therapy. Anyone interested in helping with this project can contact the center for more information.

Our wish list for getting the center started includes: ASTM/SEI helmets, saddle pad savers, grooming tools, English saddle pads, English safety stirrups, cordless clippers, rainbow rains, and English saddles.

We hope you can join us in making a difference in a child's life.

For more information about DTSMDI Center call 615-274-2038 or e-mail us at [dtsmdic@msn.com](mailto:dtsmdic@msn.com).

You will hear about the early inhabitants of this area—the Cherokee, Choctaw Shawnee and the Creeks—the legend of Black Fox, the Cherokee Indian chief, is still talked about today. The boy hero of the confederacy, Sam Davis, inspires all who hear his story of self sacrifice. Have you heard about the Confederate female spy from La Vergne? Learn about the human fly, a man whose identity is still unknown, but his daring is well known by citizens who were alive when he shocked onlookers on the public square. Did you know the original county seat sits at the bottom of Percy Priest Lake? One hundred dollars kept Murfreesboro from becoming the permanent capital of Tennessee. What about Davy Crockett and Sam Houston—what business did they have here? Did you know our county's name came from a man who never lived here? What Rutherford town seceded from Williamson County to join our county?

## SCOUTS SCALE THE PEAKS

On November 1 and 2, Troop 123 took an excursion to the Stone Door natural area located in Grundy County Tennessee, near Beersheba Springs. On Saturday, the troop members camped and hiked some of the 53 miles of trails in and around the gorges. Later in the day, some of the group members tested their strength and knowledge of climbing and conquered many of the rock faces in the gorge. Once climbed the group members then had to repel back down these same rocks.

After a tiring day, the Troop cooked their favorite meal of steak and baked potato and finished the evening eating peach cobbler baked in a Dutch oven with heat from the campfire coals. Since the site is a pristine nature area, the Scouts used their no trace camping skills to minimize the impact of their camping on the environment and packed in and out all their supplies and necessary items. Camp sites at Stone Door are considered primitive without water or electrical hookups. The site Troop 123 occupied was flanked by large trees with branches that were nearly bare against the sky. A thick carpet of leaves made for soft cushioning under the tents. As evening came, the temperature quickly dropped making the fire's warmth inviting and the thick darkness allowed for wonderful sky and star gazing.

Sunday morning the entire group spent their time rock climbing and repelling on the many rock surfaces in the area. The sun shone warm allowing the climbers to enjoy the heights. This area is a favorite spot for climbers and provides challenges at many different skill levels. Scouts as well as adult leaders rose to the challenge and pushed themselves to overcome personal fears and nature's obstacles in order to reach their goals. It was a great outdoor experience and challenged the scouts as individuals as well as a team. What's next??

Troop 123 meets each Tuesday at 7:00 at the Eagleville Community Center. For more information about Cub Scout Pack 123 or Troop 123 contact Don Davis at 274-3439 or Mike Hayes at 931-364-4744.

Dear Santa,

I would like some fishing stuff, my mom to stop smoking, a big bouncy ball, and a fish tank.

Love, Tyler

P.S. Also a fish to name Dorie.

Dear Santa,

I have been a very good boy this year. I help my mommy vacuum and my daddy rake leaves. For Christmas this year I want some blocks, a train, and a Hokey Pokey Elmo.

Love, Ryley McClaran

Age 19 months

P.S. What kind of cookies do you like?
