Eagleville Christmas Events You Don't Want To Miss It!

The Christmas banners are hung, local Eagleville residents and businesses have decorated for the holidays, and there is a chill in the air...a sign that once again the City of Eagleville's annual Christmas Parade will be rolling through town. The nostalgia created by our town at Christmas sets the stage for wonderful holiday events such as the annual Christmas Parade and Christmas Parade of Homes.

The Christmas Parade, in its 3rd year is sure to draw a large crowd from both the local residents and people from surrounding areas. The crowds will bundle up and line the streets, anticipating the appearance of country music singer Trace Adkins and family who will be serving as grand marshals. Trace and his family will be pulled in a festive wagon by a team of Belgian draft horses owned by Sam Tune of Christiana. Event planning and coordination by the City of Eagleville Activities and Beautification committee has been well under

Eagleville Red Hatters

Yes, if you are wondering, the original "Eagleville Red Hatters" are still wildly on the go. Our most recent trip was to the Donelson Senior Citizen Center to see "Smoke On The Mountain". Attending were: Queen Mother Elaine Cunningham, Betty Bolek, Betty Lowe, Sherry Cunningham, Cindy Fann, Judy Stanley, Joann Johnson. Also joining our group were distinguished guest: Jamie Lynch, Carol Sharp, Judy Melhorn, and Joyce Hicks. After the dinner and show, we most certainly had to stop at Shoneys for dessert. And oh yes, we will be celebrating Christmas together at the home of Ms. Betty Bolek.

Last month we enjoyed good food and fun at Elaine's house. We played Cranium and Rook.. We had wonderful barbecue prepared by Juanita Alger's husband. We look forward to sharing more good times with all.

This year's parade theme is "Christmas Through a Child's Eyes", a theme chosen to not only cater to a young child's interests, but to draw holiday childhood memories out of even the oldest adult. Awards will be given for "Best Themed Float", "Spirit of Christmas", and "Mayor's Choice". Judging will take place prior to the parade during the line-up process and announced in the January issue of the Eagleville Times. Santa will

be bringing up the rear of the parade, sitting high atop his sleigh with plenty of candy canes to toss into the crowd!

Community involvement is greatly displayed each year in the Christmas parade, as many local businesses, organizations, and churches join in on the fun. Eagleville Lions Club Turkey Shoot

By Matthew Smitty, Lion Member

This year, like always, on the opening day of deer season, the Eagleville Lions Club held its annual Turkey Shoot. Men and boys of all ages came out to shoot for a chance to win a Thanksgiving turkey, or ham, or a side of bacon.

The weather was good, there was lots of laughing, talking and story telling. Old friends and new had a great time as always.

The Boy Scouts provided the shooters with a chili dinner that went over well.

If you've been fifty times or have never been, we hope to see you shooting next year. Lion Member

WELCOME TO 3RD SUNDAY LUNCHEON
NOVEMBER 20, 2005

*We Preach Christ Crucified,
Risen and Coming Again.
We Believe the Bible is the Inspired,
Inerrant Word of God.*

Dr. Louis Rideout, Pastor

Anticipation has always been a part of Christmas, beginning in early childhood. Most of the world celebrates Christmas, believers and non-believers alike. In fact, much of the way Christmas is celebrated is dictated by the market place. For the believing Christian, this is unfortunate, for we get a distorted view of the reason for celebration and the object of our celebration.

The world anticipated the coming of Jesus over 2000 years ago. When he came, the world did not recognize Him. They had a preconceived idea of an earthly king. God had another idea. That much has not changed. Mankind still expects God to move to our bidding when we should be seeking His will and His way. Ask not "God, will you do this for me?" but "God, what would you have me to do?"

Christmas celebration at Eagleville Baptist Church begins on the first Sunday of Advent, November 27, 2005. The morning worship service featured music based on Christ, the Hope of Mankind. The evening service featured the Hanging of the Green, a time in which the sanctuary was decorated with greenery and poinsettias. The significance of these plants to the Christian community was explained. The children assemble the Nativity as appropriate Scripture is read and Christmas carols sung.

The focus for the second Sunday of Advent, December 4, 2005, is Peace. The music and worship of both morning and evening services will center on Jesus, the Prince of Peace. The Children's Choir will sing for the evening service.

The focus for the third Sunday of Advent, December 11, 2005, is Joy. Joy will be the theme of our

music and worship in both services morning and evening services. The morning service will be followed by a Community Christmas Dinner at noon.

The fourth Sunday of Advent, December 18, 2005, is the celebration of Love. Jesus' birth brought love to mankind and taught us that God is love. Choir selections and congregational singing of Christmas carols will center on the theme of sending of God's love into the world.

A Christmas Eve Candlelight Lord's Supper Service will be celebrated by the church family on Saturday, December 24, 2005, at 5:00 p.m. This service will focus on the incarnation of Christ in the form of a baby, and His ultimate purpose for coming into the world as both God and man. The Nativity will be role-played by the children, the Lord's Supper will be served, and Christ's coming into the world as the light and life of man will be celebrated through a candlelight service.

Sunday morning, December 25, is the day which we have all anticipated—the birth of Jesus, Wonderful, Counselor, Almighty God, the Everlasting Father, the Prince of Peace.

All morning services are at 10:30 and evening services at 5:00. Dr. Louis Rideout is the pastor and Derrell Billingsley is Minister of Music & Worship. Eagleville Baptist Church is located at 159 Church Street.

FROM THE WIDE WORLD WEB - WWW

For those of you that don't have internet email, you tend to miss out on some pretty good statistics or jokes that get passed around the internet. For you, I decided each month to share some of this interesting fun.

** Intended for fun only. No guarantees to authenticity.*

Advice:

- * Your fences need to be horse-high, pig-tight and bull-strong.
- * Life ain't about how fast you run, or how high you climb, but how well you bounce.
- * Keep skunks and bankers and shyster lawyers at a distance.
- * Life is simpler when you plow around the stump.
- * A bumble bee is considerably faster than a John Deere tractor.
- * Words that soak into your ears are whispered...not yelled.
- * Meanness don't jes' happen overnight.
- * Forgive your enemies. It messes up their heads.
- * Do not corner something that you know is meaner than you.
- * It don't take a very strong person to carry a grudge.
- * You cannot recall mean words or put fired bullets back in a gun.
- * Every path has a few puddles.
- * When you wallow with pigs, expect to get dirty.
- * The best sermons are lived, not preached.
- * Most of the stuff people worry about ain't never gonna happen anyway.
- * Don't judge folks by their relatives.
- * Remember that silence is sometimes the best answer.
- * Live a good, honorable life. Then when you get older and think back, you'll enjoy it a second time.
- * The easiest way to eat crow is while it's still warm, 'cause the colder it gets, the harder it is to swallow.
- * If you find yourself in a hole, the first thing to do is stop diggin'.
- * It don't take a genius to spot a goat in a flock of sheep.
- * The biggest troublemaker you'll probably ever have to deal with, watches you from the mirror every mornin'.
- * Always drink upstream from the herd.
- * Lettin' the cat outta the bag is a whole lot easier than puttin' it back in.
- * If you get to thinkin' you're a person of some influence, try orderin' somebody else's dog around.
- * Live simply. Love generously. Care deeply. Speak kindly. Leave the rest to God.

By Faye Ralston

Algie Ruth Lemmon Carlton was born in 1920 and is the daughter of Harry and Julia Stem Lemmon. She had 10 siblings, six sisters and four brothers; Lula married James Elam, Rosa married Howard Tomlin and Velma married Horace Hammond. Three of her sisters died as infants. Her brothers were: Richard Charles who married Irene Ralston, John married Myrtle Collins, Roy married Golda Godwin and Robert “Bob” married Justine Harris. John and Bob were Independent Baptist preachers of churches in Texas and Memphis, Tn. Bob is now owner and operator of the Bible and Literature Foundation in Shelbyville and ships Bibles in several different languages to all parts of the world.

Ruth attended Eagleville School when her family lived in a house owned by Mr.

Harry Sullivan. They moved when she was about 12 years old back to Rover, to the old home place of her grandparents, Richard “Dick” and Josephine Crick Stem.

Ruth married in 1938 at the age of 18 years to James Robert “Jim” Carlton, son of Robert and Nancy Whitworth Carlton. Ruth and Jim had three children, two daughters and a son.

Alene married Jimmy Lambert and has four children: June, Dianne, Milton and Barry. Alene taught music at Eagleville for several years and all of her children attended Eagleville School. She is presently employed at Welcome Home in Murfreesboro.

Faye married Harold Ralston who graduated from Eagleville High School in 1954. She was a 1958 graduate from Community High School, Unionville. Faye and Harold’s six sons: Mark, Marvin, Melvin, Nathan, Carl and Phillip also graduated from Community High School where Faye was a cafeteria worker for fourteen years.

Ruth and Jim Carlton moved several times during their first few years of marriage. They lived in Shelbyville where Alene and Faye went to Madison Street School until the 3rd & 4th grades. When their son, age 5, died of rheumatic fever in 1948, Ruth’s brother persuaded them to move to Detroit, Michigan. While there, Ruth worked at White Castle and Jim worked at the Ford Plant. In 1950 they moved back to Tennessee and lived with Ruth’s parents at their old home place in Rover. Ruth raised pullets (chickens) for a while but soon rented the old Puckett’s Store in Rover and sold groceries and feed for livestock. She also added a lunch counter and served food in the old store building. At this

time, Jim was working for Haynes Brothers Candy Company. The opportunity came for them to operate the Versailles Grocery near Rockvale. Since Rover had three stores, they decided to make the move. They also added a lunch counter to this location and Ruth was widely known for her good hamburgers, fried pies and ice cream cones. They were robbed seven times in the twenty- seven years they operated the Versailles Store. When Jim’s health declined in 1982, they left the grocery store and moved the lunch counter to their home on Fruit Valley Road where Ruth served lunch to 20 to 30 people each day. After Jim’s death in 1983, Ruth has also worked the evening shift at several nursing homes, which included the Community Care, Murfreesboro, Glen Oakes Nursing Home, and the Bedford County Nursing Home in Shelbyville.

In 1995 after having surgery, Ruth stopped serving food at her lunch counter and she also quit her job at the nursing home. Presently at the age of 85, she teaches the young adult class at Mt. Pleasant Baptist Church. During the week, she the baby-sitter for two of her great-grandchildren: Keith, age 3 and Mollie age 6 months, children of Melvin and Melanie Ralston. Their mother, Melanie, teaches 3rd grade at Rockvale.

Ruth has ten grandchildren, nineteen great grandchildren and three great great grandchildren and can boost that she takes no medication except aspirin and vitamins. Her favorite past time is playing dominoes. She is still well known for her wonderful fried pies she often carries to church dinners and to the shut-ins of the community.

Tis the Season to Be Jolly...

At this time when families and friends gather to celebrate the Holidays, we are reminded of people who need our help. The Community Mission is a local effort to relieve suffering in our community. Throughout the year, this organization provides clothing, food, and emergency financial assistance for people in the Eagleville and Rockvale communities. It is located on the school grounds in the concession stand building at the Baseball Field. Volunteers maintain a food pantry and clothing closet in this donated space. At this time of year, our willingness to help others is even more critical. Rising fuel costs and other expenses related to winter can stretch the family budget for many in our communities. Food can then be more difficult to afford. At this time especially please remember the Community Mission and donate your money or non-perishable food items so that this organization can continue to help our neighbors.

CHRISTMAS

A Wonderful Day to Accept Our Saviors' Birthday

Christmas comes but once a year,
Bringing glad tidings and lots of good cheer.
It fills our hearts with the magic glow,
As all rejoice the Christ child long ago.

In the town of Bethlehem our Savior was born,
Beneath the star that was glowing a far.
The infant child was born on Christmas Day,
No room could be found,
But in a manger on a bed of hay
Wrapped in swaddling clothes, he lay.
So Mary made his bed of straw in a stable,
So He could be born on that Christmas morn.

The wise men traveled far and near,
To show that they believed,
Fell down and worshipped him.
They presented the young child,
With gifts of gold, frankincense and myrrh.

From nearby hills the shepherds came,
Also their sheep followed them.
To greet the new boy King,
As he lay fast asleep in the hay.

O'Holy child of Bethlehem,
Descend to us we pray.
Cast out our sins and enter in,
Be born in us today.

In hope, faith and love,
This baby Jesus is a miracle.
That God sent from above.

As we gather together,
Thanking the Lord for His blessing,
One Soul for thee,
One hope to be,
One joy to share
This is my prayer.

May everyone have a nice Christmas
With love to share,
With all the sad and lonely.
And don't forget your neighbors.

Love you, Maye Taylor

Dear Santa Claus,
How have you been this year? I have been a good girl this year. I hope you like all of my decorations when you come. I have a tree inside and out. I hope you like them. I also hope you like your cookies, sorry but I forgot what kind. If you can, I'd like a new baby doll, the name of it is baby Anabelle, and poster board and poster markers, maybe even some, well a lot of construction paper and a game called Mall-Madness. It's awesome. And a purse for me. Just so you know, I'm in the third grade. You're so, so, so, so, so cool Santa. Me and my friends like you as the coolest, or shall I say coldest, coolest Santa. Your so awesome, Santa. I just can not stop talking about how cool, cold and awesome you are. And, would you do me a favor? Can you tell Mrs. Claus and Rudolph, hi. Would you please! I wish I could know how cold it is where you are in the North Pole. It looks and sounds the coolest, coldest, awsomest place. You're awesome! Your awesome and YOUR AWSOME! Your Kindness Will Never Be Forgotten

This is a *Thank You* note to all of you here in Eagleville who have been so kind and thoughtful to an old Lady who don't drive or walk very well or can't do much cooking. To these who have driven me places; to those who have sent me good food; you are caring people. It is important that you receive the recognition and gratitude you so greatly deserve.

All of you are appreciated so much for what you have done for me. It is comforting to know your heart was in it. Just knowing your heart was in it, just knowing you are so thoughtful is a true gift in itself.

You never stop caring or making a difference with your generosity. You lift spirits

and make smiles appear. Now it's your turn to smile. You are on the receiving end of the warmest thanks imaginable.

Thanks and God Bless, I love all of you,
Mary Vincent

EAGLEVILLE PHYSICIANS Part 2

Dr. Carl Rowntree, the local physician in Eagleville, moved to Knoxville in 1967 and left Eagleville without a physician. In 1979 Fred Hobbs, mayor of Eagleville, was instrumental with securing Dr. Lelan Milam better known as Dr. "Jay", a physician assistant, as Eagleville's new physician. Due to a lot of local and state obstacles, Dr. Jay didn't open the Eagleville Medical Clinic until June 1980. He soon hired Lori Milnar Brent to help him in the office. Another early employee was Rita Eley Ralston and at this time an office visits cost \$8.00. Marvin Hayes, a local banker, owned the medical clinic building, located next to Joyce Jones' Beauty Shop. This building is presently a rental apartment. Dr. Jay shared the clinic with a dentist, Lee Palmer, who had his office in the back of the clinic. Marvin Hayes sold the clinic to someone in Nashville and he in turn sold it to Dr. Lee Palmer. Dr. Jay was not only the physician, but also a handyman and his own

janitor, making repairs and cleaning the building to save money. The clinic received a small amount of funds from the State of Tennessee but that funding was soon discontinued. The city of Eagleville contributed bookkeeping services to the clinic. In time, Dr. Palmer asked for a large increase in rent, so Dr. Jay, along with his supervising physicians, Dr. George Smith and Dr. Dennis Carter did not feel the clinic could afford this increase and started looking around for a new clinic building. In 1984 they secured some land and an office building from Roy Holt on the south end of Eagleville. The building was remodeled, rooms added on and was the new home of the Eagleville Medical Clinic. For several years Dr. William Smith, an optometrists from Murfreesboro shared office space with the medical clinic and at the present Dr. Rena R. Cron and the Eagleville Eye Clinic is sharing this building, which is still owned by Drs. Smith and Carter.

Dr. Jay was born in West Virginia in 1938. He has 5

children: Marsha, Mark, Michael, Matthew and Martin. After coming to Eagleville Dr. Milam soon had a nickname, Dr. Jay, given to him by one of his patients. He is probably known by more people as Dr. Jay than by his given name Lelan Milam. In 1985 he was losing one of his employees and needed a replacement. In 1985 he hired Rita Locke Redden, daughter of John Cooper and Ella Rowland Locke from the Rover Community. Rita, not only became his employee but in 1987 she also became his wife. Rita has 2 children, Cathy and Thomas Redden. Dr. Jay and Rita retired in June

2001 and lives in Rover, Bedford County, Tennessee.

Dr. Frank Warren

In June 2001 Frank Warren, a physician assistant certified, replaced Dr. Jay. Dr. Warren grew up in Lincoln County, Tennessee and came to Murfreesboro to attend MTSU. He graduated from Trevecca College in 1997 and received his Masters Degree in 1998 from the University of Nebraska. He worked with Dr. Steven Payne MD in Murfreesboro from 1997 until 2001 at which time he came to Eagleville to replace Dr. Jay. He is a member and the in-coming president of the Tennessee Academy of Physician Assistants. Dr. Warren and his wife, Matha, live on a farm in Bradysville. Matha Warren is a veteri-

narian and operates Warren Animal Hospital on Memorial Blvd., Murfreesboro.

Dr. Frank Warren and his very friendly co-workers, Gloria Llorens and Sherri Womble is certainly an asset to our Community. They see patients of all ages, from the very young to their late nineties, who travel from Smyrna, Columbia, Nashville, Murfreesboro and Cookville as well as Eagleville and near by communities.

The Summer of Ryan Vincion

Ryan, an avid baseball player, is the son of Regina Pirtle and Derek Vincion. His sister is Danielle Vincion. Grandparents are Ronald & Eva Leathers and Harold & Linda Vincion.

This summer while Ryan was out of school, he played baseball for two teams. The Tigers in the optimist 7 & 8 year old coach pitch league. The team went 10 and 2 and came in 2nd place. He also played for the Murfreesboro Mud Dogs. Eight year old traveling team, the Mud Dogs record was 24 and 13. They played in eight tournaments and placed in five of them. They won the Meet at the Mountain in Crossville; the Pepsi Challenge at Buchanan; and finished second in the Audmore Alabama Classic. They finished 5th in the TYBA State Tournament in Cookeville, a tournament of 40 teams.

Ryan played 3rd base and short stop for both teams. If you were on 3rd base when Ryan played short stop and backed up 2nd base, you had better not start home from 3rd base. If he had the ball on 2nd or was receiving it and you ran, you were thrown out.

If you ask Ryan who is his best buddy, he will tell you in a minute, it is Pa Leathers.

We have nine grandchildren and very proud of them all. We have another grandson who is 17 years old and in college in Indiana.

I can't hardly wait for this coming summer, so I can go watch Ryan play ball again.

EAGLEVILLE ALUMNI RECEIVE
NATIONAL DEGREE

Louisville KY-- 2004 Eagleville graduates Josh Bolden, Jessica Harrell and Jesse Emery with 2003 graduate Linda Frost were awarded the American FFA Degree. Jesse and Linda were both present at the 78th National FFA Convention in Louisville, KY on Saturday October 29, 2005 to receive their award. Each student receives a gold American FFA Degree Key, Wallet ID card and certificate to commemorate the achievement. The recognition program is sponsored by BASF, Case IH, the Farm Credit System and Pioneer Hi-Bred International, Inc as a special project of the National FFA Foundation.

The American degree is the highest degree awarded by the National FFA Organization and recognizes these students' demonstrated leadership abilities and outstanding achievements in agricultural business, production, processing and service programs. The award is given annually at the National FFA Convention. This convention is the nation's largest annual youth gathering, welcoming students, parents and educators from all across the United States.

FFA is a national youth organization with 490,017 student members preparing for leadership careers in the science, business and technology of agriculture with 7,210 local chapters in all 50 states, Puerto Rico and the Virgin Islands. FFA strives to make a positive difference in the lives of students by developing their potential for premier leadership, personal growth and career success through agricultural education.

Less than one in 165 FFA members advance through their local chapter and state FFA degree programs to earn this national degree. The Eagleville Chapter of the FFA, under the leadership of Bruce Haley, has a strong tradition within district, region, state and national forums and these students continue that tradition. All four of these students demonstrated strong academic commitment and were active in a variety of programs while students at Eagleville High School in addition to their active participation in FFA.

Hello and welcome to December's edition of Talon Tidbits. High School Football is now behind us and we have the last game of the season to cover as well as the Playoff game, so let's get started. We also have a few notes for you on the upcoming baseball season.

The last game of the regular season was against the Nashville Christian Eagles. The game showed our boys in form, and no one in the stands left disappointed. To start us out in rushing was Charles Steagall with 66 yards; Charles has shown us some great things this year. Jacob Wilson 47 yards, and Steven Mastin for 38 yards, and a hand pull of team mates to give us a total of 162 rushing for the evening. Ricky Brooksher finished up the regular season with a good night total of 197 passing yards. On the top of the tackling list was Aaron Fisher with 7 tackles and 6 assists, Christopher Jutkofsky with 6 tackles and 5 assists, Shade Manning, Jo Jo Vestal, Tavarice Moore with 5 tackles and 4 assists each. Doug Brown had a nice 3 point kick, final score of the evening Eagleville Eagles 35 Nashville Christian Eagles 8. Let us not forget the second most important reason to come to a game the Eagleville Cheerleaders and the Eagleville band, great job.

This year we had many firsts, but the most important one to date was getting into the play offs. November 4th we played a game against the Collinwood Trojans. We lost the game to Collinwood 42 to 14, when I asked Coach Scharsch what he would say about this his answer to me was " These boys have set the bar , nothing less than playoffs next year".

This year we had a great group of seniors; Aaron Fisher, Rickey Brooksher, Josh Smith, Terry Poteete, Jacob Wilson, Chris Davenport, Ricardo Foster, Wesley Mize, and Charles Steagall. Lets all wish them a great future in what ever

By Lisa Jutkofsky & Lee Smith

path they choose.

The last night of tailgating was a blast, a blast of cold that is. But the tailgating crew was on top of things, Hot chili with all the fixin's , corn bread, and warm baked apples was on the menu and I don't think anyone walked away hungry. Let's thank the tailgating crew for a season of good eats. We should also recognize the hard work over at the concessions; Rhonda Gentry did a great job of running the show in there this season. We would also like to thank all the volunteers who came out each week, to help where ever they might be needed. This year you might have noticed a new face in the Eagleware booth, Lee Smith, Mr. Smith ran the booth for most of our home games as well as Middle School and some Junior Pro games. A special thanks goes out to the Eagleville Football Booster Club for all of their hard work this season!

Now we have a change of pace for all you baseball fans, a little birdie told me this year that the Eagleville Varsity Baseball team has 10 returning players. The team is slated to start practicing after the Holiday Break. The baseball team is planning to have 2 fund raisers this year, make sure you all come out and support them. I will keep you up to date as more baseball news becomes available.

In our next issue look for an interview with our new Varsity Baseball Coach Scott Courtney, and a list of the games for the 2006 season as well as pictures of the first practice. I would like to take a final moment to wish everyone a safe and joyous holiday season, from us at Talon Tidbit's.

Happy Holidays

Mid-Afternoon Martinis

Pumpkins and Indian corn and colorful autumn leaves created the setting for an afternoon of fun and fellowship at Phil Williams' Rocky Top Garden home recently. Twenty friends enjoyed a round of martinis. Mashed potato martinis.

Mashed potato martinis? Yes. Take a martini glass, add a scoop of fluffy mashed white or sweet potatoes and top with one of five choices of tasty sauces. Creamed turkey, chicken paprika, beef stroganoff, sautéed onions and mushrooms, and chipped beef Alfredo were offered, along with sprinkles of bacon bits and shredded cheese. Mm-Mm Good. And fun.

Laughter was another big ingredient as the guests mixed

-and-matched their toppings. Additional scoops of potatoes were available. Some chose to turn to a change from white to sweet, and there were some who just skimmed off their first topping and recovered their potato base with a second and/or third choice.

A dessert trio was served as a finish to this food extravaganza: a lemon tart in a shortbread shell, a caramel frosted pumpkin in keeping with the season, and a slice of baklava.

Susanna Constance, Sandra Green, Debbie, Ashley and Salem Emamalie came from Murfreesboro for the festivities. Closer to home guests included Susan Webb, Anna Webb, Wanda Steagall, Beverly Claxton, Bobby Ray Claxton, Laura Ralston, Barbara Owen, Ann Brown, Debbie Ryan and Margaret Ryan. Grace Trombley and Carol Lynn Wilson were visiting from Florida and did all the cooking.

Phil played beautiful background piano music to the enjoyment of the guests. All in all, it was a delightful afternoon.

Sagittarius (November 23-December 21) Your energies are wound up, and your psyche is strong this month. The New Moon on December 1st places you squarely in the driver's seat. Take the reins, because you will need them on the 15th. Be ready to take a stand for what you want. Your opponent may use devious means to try to gain control, but one secret weapon is your vitality. That and an unshakable self confidence propel you onward to get what you need.

Capricorn (December 22-January 20) Tag, you're it, Capricorn. Only rarely are there are two New Moons in one calendar month. This time around, the second New Moon of December 30th falls in your sign. The first New Moon on the 1st, is in your 12th house, a sector of introspection and behind the scenes activity. Use this month wisely for review of 2005, and then make your list of goals for 2006. Planning is your forte; how can you get there if you don't know where you're going? The stars are giving a special blessing to help you advance in the year ahead.

Aquarius (January 21-February 19) Venus enters your sign on the 15th. Venus in Aquarius wants a lover who is also a best friend. This month, however, that best friend may not look so good. Associates and/or partners seem preoccupied; but is it really that you are not available? This month whizzes by in a high speed blur for water bearers. Take care of business on the 5th, make some time for a favorite project on the 6th, and then prepare for blast off on the 7th. Years end will come quickly, are you ready?

Pisces (February 20-March 20) You reach a career turning point on the 8th, and are ready to move forward into a new phase. Health concerns also take center stage now. That nagging problem that you have not wanted to take care of speaks loudly. Give some thought to adding an exercise routine to your New Year resolutions, and then start it early. Beat the others to the gym; just think, you'll already know how to use all the equipment when fighting the crowds for the first two months of 2006.

Aries (March 21-April 20) Your planetary ruler, Mars, is

quite busy this month. A bit of careful navigation is required on both ends. Pay attention on the 4th ; you are accident prone and off balance. And, the 27th finds you again in rough waters. Proceed with caution, and think twice before engaging in any confrontation- you will not win. Have finances been a bit off lately? Mars has been in backward motion in your money sector since October. The warrior finally gets his act straightened out on the 9th when he moves into direct motion, and your finances will follow accordingly.

Taurus (April 21-May 21) Mark the 12th on your calendar, and plan to schedule a day off work if possible. It's a day for vision gathering and dreaming, not dealing with office efficiency and/or co-workers. The Moon is in your sign, Taurus- that should make you happy. But, rigorous planetary aspects that day leave you longing for internal and external peace. The Full Moon of December 15th highlights finances. Collect on that over due debt- you have it coming to you.

Gemini (May 22-June 21) The Mayan prophecies teach that in these days, all secrets shall be revealed. Apply your inquisitive mind to digging into deep dark corners, and you will find more than one covert episode waiting to see the light of day. The Gemini Full Moon on the 15th illuminates the mysteries, for better or worse. Both Pluto and Mercury lend a hand to wrap things up by the 29th , and then make a fresh start on the 30th.

Cancer (June 22-July 23) Keep a handle on nervous tension and especially protect your health now. You may have a tendency to obsess over things you cannot control. The best way to handle stress this month is pay attention to nutrition. The New Moon in your solar 6th house of health and practical concerns lends a helping hand. News that arrives on the 23rd may be momentarily upsetting. Have faith that this cloud of delay has a silver lining.

Leo (July 24-August 22) It's a good month to be a Leo. With Jupiter in your sector of home and hearth, and the New Moon of the 1st influencing your creativity, it's all just

right. Saturn in your sign has been granting dignity to your aura, too. It's all just right. Monday the 19th will be the most stressful day this month when the moon in Leo makes challenging aspects to Mars, Saturn, Jupiter, and Neptune. But, I know you can handle it, and thrive. Count your blessings.

Virgo (August 23-September 23) Your ruling planet, Mercury, is working over time this month. After moving into direct motion on the 3rd, the winged messenger first travels closely with Venus until the 11th. This is good for keeping in touch with that important someone you met last month. On the 18th, stay flexible and open for the unexpected as Mercury squares Uranus. Plans may not work out, but something better can happen if you are not upset. And finally, on the 31st, again keep it light. You have a tendency towards preoccupation, and might miss the party.

Libra (September 24-October 23) You benefit through social contacts this month, so get out and circulate. A chance conversation can bring a major benefit. If it doesn't happen the first time, keep trying; you know practice makes perfect. Holiday parties can yield a link to your next big break, so don't hold back. The only day you cannot count on is Saturday the 17th, when a void of course moon as well as Jupiter square Saturn suggests any potential gains made that day will not reach fruition.

Scorpio (October 24-November 22) Mars in your relationship sector has been calling loudly, did you hear? After the 9th, any unattached Scorpio is this way only because of a personal preference to remain single. You are in the public eye also this month. We will see many of your intense eyes gleaming in newspaper photos and write ups about your successful contributions. Take it in and be proud. Scorpions can have a self effacing attitude which does nothing to hide your true power. Get comfortable for the holidays this year, and plan a long weekend with your special family members.

Heidi

Hi! My name is Heidi and I am a Saint Bernard. I have just moved to Eagleville from New Orleans. Just before hurricane Katrina hit New Orleans, my owners left me in a shelter and evacuated. Saints Rescue in Memphis came down to New Orleans and saved me. Then my current owner, Betty Goodpaster, found out about me and adopted me. I am almost 5 years old and weigh 131 lbs. I love living here. The weather is definitely better for me than in New Orleans!!!

Margaret's Helpful Hints

If you want your chocolate cake to not have that "white dust" on it, use cocoa to dust your cake pan instead of flour.

Need to peel a bunch of oranges for a salad? Just soak the oranges in boiling water for 5 minutes then peel as usual. The "white" part of the peel will come off along with the peel to give a beautiful

If a cake sticks to the pan after baking, simply set the pan over a pot of boiling water for a minute or two. The cake will pop out of the pan nice and neat.
