WINTER WONDERLAND HOMECOMING—A BUSY WEEK OF FUN

Homecoming is a tradition that builds throughout the week as faculty and students demonstrate school spirit and support for the boys and girls basketball teams. All week, students competed in various activities and games earning points in the week long competition. Each day included a dress up theme. Monday was PJ day, Tuesday was hat day, and Wednesday was 1950's *Grease* day. On Thursday the Freshman dressed as infants, the Sophomores as toddlers, the Juniors as career adults, and the Seniors as senior adults. Friday, the theme was traditional school colors which allowed everyone to show their school spirit.

In addition to the themes each day, competitions through the week pitted class against class. These battles included basketball games, and relay races all geared to create excitement among the student body in preparation for the Game against the opposing

school, the Richland Raiders. On Friday a pep rally included banners completed by classes and a competitive dodge ball game and other competitions. Points were tallied for all the categories of contests and at the end of the week, the Juniors, class of 2006 won the most points.

On the evening of Friday January 14, the Eagleville School Gym was almost to capacity as fans gathered to celebrate the High School Homecoming ceremony and games. The Homecoming Court showed students in their finest as the young men were dashing in tuxedo's, provided by Street Tuxedo in Murfreesboro. The young ladies looked like princesses in their formal gowns as they entered the gym and "court" to theme of Winter Wonderland. The court included: Crown Bearer, Bailee Long a kindergarten student; Sceptor Bearer, Tanner Crutcher also a kindergarten student;

The Adventures of Punxsutawney Phil, Wiarton Willie, and Pothole Pete

February 2 brings the most-watched weather forecast of the year—and the only one led by a rodent. Legend has it that on this morning, if a groundhog can see its shadow, there will be six more weeks of winter.

If it cannot see its shadow, spring is on the way.

Why the Groundhog? Since a groundhog (or woodchuck or "whistle pig") hibernates for the winter, its coming out of the ground is a natural sign of spring. In Europe centuries ago, people watched for other hibernating animals, including badgers, bears, and hedgehogs, as signs of winter's end. Germans who immigrated to Pennsylvania in the mid-1800s began keeping an eye on the groundhog. The widespread population of the rodent made it a handy agent for this particular weather superstition.

And a superstition it is. But there's a grain of truth: the winter days when you can see your shadow clearly are often especially cold, because there are no clouds overhead to insulate the earth.

Why now? Early February is midway between the winter solstice and the spring equinox. Throughout history numerous holidays have marked this seasonal crossroads. Among these is Candlemas Day, February 2, a Christian holiday that celebrates Mary's ritual purification. Early Christians believed that if the sun came out on Candlemas Day, winter would last for six weeks more.

The ancient Romans observed a mid-season festival on February 5, and the pagan Irish celebrated one around February 1. In many parts of Europe early February might herald the start of spring, when crops could be planted.

In the 1880s some friends in Punxsutawney, Penn., went into the woods on Candlemas Day to look for groundhogs. This outing became a tradition, and a local newspaper editor nicknamed the seekers "the Punxsutawney Groundhog Club." Starting in 1887 the search became an official event centered on a groundhog called Punxsutawney Phil. A ceremony still takes place every year.

Today Punxsutawney Phil lives in a climate-controlled habitat adjoining the Punxsutawney

Library. A local celebrity, he gained national fame in the 1993 movie *Groundhog Day* (which was shot in scenic Woodstock, Illinois). The weather-watching rodent's predictions are recorded in the Congressional Records of our National Archive. So far, Phil has seen his shadow about 85% of the time.

Canada's Groundhog Day relies on the predictions of an albino groundhog named Wiarton Willie. Although Punxsutawney Phil gets the most attention, various American cities have their own special groundhogs; New York City's official groundhog is called "Pothole Pete."

Freshman attendants Cody Seekamp and Courtney Philburn; Sophomore attendants Aaron Alldaffer and Kelly Partin; Junior attendants Nik Mathisen and Rebecca Blackwell; and Senior attendants Jeff Davis, Derik Elmore, Brandon Lamb, Laci Gentry, Jamie Smith, and Paige Pressnell. Following the presentation of the court, Derik Elmore was crowned King and Laci Gentry was crowned Queen.

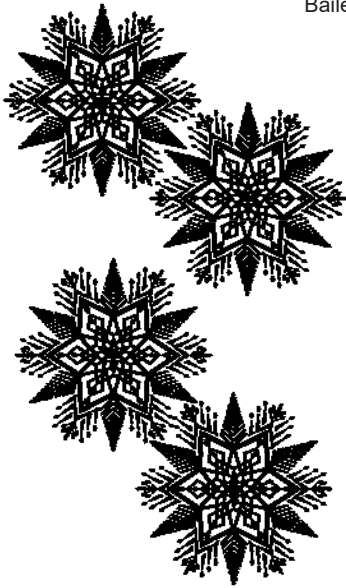

After the ceremony the crowd was loud as the girls team battled against the Lady Raiders. They were competitive during the entire ball game, fighting back any time they fell behind in points. Alas, at the team lost, as a shot at the buzzer by Richland found the goal and fell for

the winning points. The boys team worked hard during each quarter to maintain a lead against the Raiders. At the conclusion of play, they had the victory.

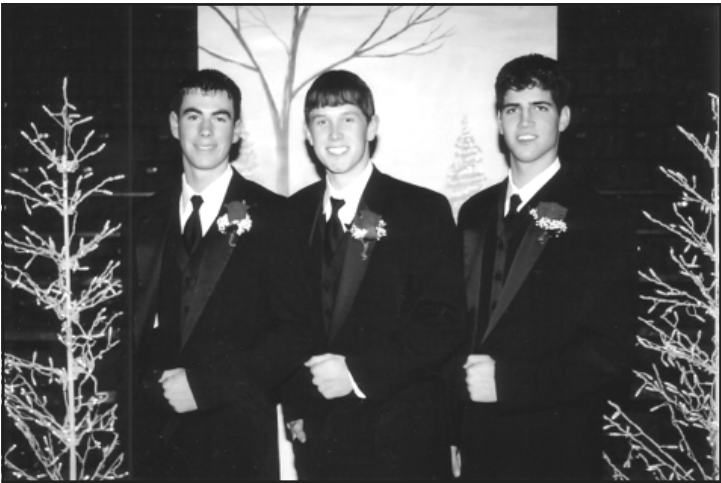

Congratulations to everyone who participated in the Homecoming Week. All of you are indeed Winners. Thanks also to the Student Council for sponsoring all of the activities for the week.

EHS Class Reunion

On Dec. 3, 2004, EHS Class of 1984 held their 20 year reunion at the Eagleville/ Unionville High School basketball game. Lots of good food, fun, and fellowship was enjoyed by all. We were also honored to have several of our former teachers stop by. What a great time we had seeing each other and meeting spouses and children.

A special thank you to Mrs. Rhonda Holton, Mr. Bill Tollett, and Mr. Chris Lynch for allowing us to have during the ballgame.

Even Little People Can Make a Difference

Above, Ms. Edwards and her students with the giant check.

The Rockvale Elementary School recently participated in a donation drive to help Tsunami victims. The drive was sponsored by our 7th grade World Geography teacher, Miss Niki Edwards. Our school was able to raise \$5,246.00. The 7th grade classes raised the most money with \$1,116.76. Our school is extremely proud of the student body, parents, and faculty that participated in this effort to collect money for the Tsunami victims.

EAGLEVILLE UNITED METHODIST CHURCH.... Invites You

Eagleville United Methodist Church is hosting an ALPHA COURSE beginning March 6 and invites you to attend. What is ALPHA?

ALPHA stands for: An anyone can come,
Learning and laughter,
Pasta and other great meals,
Helping one another, and
Ask anything.

Practically speaking, ALPHA is a 10 week course where participants learn about the Christian faith and have opportunities to discuss and ask questions in small groups. ALPHA is open to anyone and everyone, whether you regularly attend church, or have never attended church before, whether you are a longtime Christian or have no belief in any religion. ALPHA is a place where you can ask any questions you may have and receive straight forward information and participate in lively discussions.

The ALPHA COURSE at Eagleville United Methodist Church will run on Sunday Evenings beginning March 6 and continue until mid-May. Each evening begins with a meal at 6:00 p.m. followed by a short video and small group discussion. The evening ends at 8:15. Groups are available for children, youth and adults and childcare is provided. There is no cost for the course but the church requests reservations so that they can best plan the meal and childcare arrangements. Eagleville United Methodist Church invites you to be our guest and join the ALPHA COURSE beginning March 6th. For more information and to reserve your place at our table, please call the church at 274-6612 or Trish Hayes at 931-364-4744.

Student Celebration

The Rocky Glade youth group recently attended the "Student Celebration" in Pigeon Forge. The group of 21 enjoyed such activities as shopping, go-carts and bungee jumping.

The worship services included well known speakers and concerts by Third Day and Casting Crowns.

Eagleville Taekwondo Kicks Off New Year!

By Susie Manier

Eagleville Taekwondo began the 2005 year with a fantastic turnout! Two new classes were added with 18 enthusiastic boys and girls ages 6-12. We have White, Red and Green belts participating in our classes. We have just acquired two Taekwondo Instructors that excel in the expertise of Martial Arts. They are 3rd degree Black Belt Mr. Ronnie Haislip and 1st degree Black Belt Mr. Danny Garner. Together they have over 10 years experience as Martial Arts Instructors.

So many people are under the impression Taekwondo is all about fighting and violence. This couldn't be further from the truth. Taekwondo is intended as a form of self-defense and discipline. Taekwondo is a sport that has been proven to help build character, confidence and discipline. Another character building trait we have incorporated into our program is memorizing Bible Scriptures. Students are encouraged to participate by memorizing bible verses as part of their Martial Arts training and the students are enthusiastic about learning new scriptures.

The Instructors are also teaching valuable life-long lessons to our children. They encourage the students to do their best in school, get good grades, respect their teachers and parents. To let others go first, it's ok to be last. They teach good sportsmanship, to cheer when others win and you lose. They teach if someone provokes a fight, it is best to walk away. If the student has trouble at home or at school, the Instructor sits down with the student to discuss the problem.

The Instructors make class time learning fun and educational. They encourage class participation with games such as "Battle Warriors" and "Sword and Shield" and are preparing the students for upcoming tournaments and testing. The parents are also getting in on the action. Business Women, Stay-at-home moms, Realtors and Teachers from Eagleville recently participated in a Self-Defense class learning various self-defense techniques.

Taekwondo classes meet Tuesday and Thursday nights from 5:00-5:45 and 5:45-6:30. The cost is \$69 for beginner course and includes a FREE uniform. Advanced student cost is \$50 per month, \$40 for additional family members. Visitors are always welcome! The Taekwondo class meets at the Eagleville United Methodist Church. The Eagleville Methodist Congregation has

generously allowed us the use of their fellowship hall and we would like to extend a BIG "Thank You" to the church from all the students, parents and Instructors.

Calling all Parents: Out of shape? Jeans too tight? Come join us for a Martial Arts workout for the month of February: Tuesday and Thursday nights from 6:45-7:45. The cost is FREE for the month of February. What have you got to lose, except a few of those extra-unwanted holiday pounds.

Jennifer Snell Fulfills Her Dream!

Starting a Pre-school has been a life-long dream of Eagleville Resident Jennifer Snell. As a working mother of three, she knows how hard it is to find affordable quality childcare. With both parents working full-time, this presented a problem finding good, reliable childcare. As a mother, she wanted her children to experience good moral teaching in a safe environment at an affordable rate. In this day and time, this is almost non-existent as you may well know.

In the fall of 2004, Jennifer's dreams of owning and operating a full-time Preschool became a reality. She was able to purchase a home in Rockvale on Hwy 99.

The house provided plenty of space for designated classrooms and activity centers and has a wonderful fenced-in back yard with lots of play equipment.

The goal of Little Rookies Preschool is to provide a safe, Christian atmosphere in which young children can learn, play and grow in a positive nurturing environment.

Little Rookies preschool is a full-time program serving children ages 3-6 during the school year and ages 3-10 during the summer months.

Little Rookies is open from 7:00 am to 5:00 pm Monday – Friday. Bring your children for a couple of days or every day of the week. Nutritious breakfast, lunch and snack are served daily. A typical breakfast usually consists of sausage and pancakes and spaghetti for lunch. Every day the menu varies to provide a variety of healthy foods and snacks are always a hit with the preschoolers.

The preschool is decorated definitely with the little preschoolers taste in mind. There is

a "Dress-up" area that the little girls especially love, with all types of silly hats and play clothes. The boys seem to gravitate to the tool bench and building work center.

Each day is structured with class time learning their abc's, numbers and colors. They are also involved in making many different arts and craft projects.

The preschool just celebrated their first Thanksgiving and Christmas with a celebration of Turkey and Dressing and all the trimmings for all the preschoolers and their whole families. It was a wonderful get together and everyone feels like family at this preschool.

Celebrations are a big thing here. We love to celebrate birthday parties, Halloween, Christmas, Easter and our Valentines Day Party is coming up! Just give us a reason, and we'll celebrate!

Little Rookies Preschool teaching staff consists of three dedicated Christian women.

- Miss Jennifer is married to Kevin Snell and they have just celebrated their 10th anniversary. They have 3 children, ages 3, 4, and 8 and live on Allisona Rd. in Eagleville. Jennifer was born and raised in Rockvale. She is the P.E. teacher and husband Kevin is the Ag teacher at Community School. They both attend the Eagleville United Methodist Church.
- Miss Susie is married and is the mother of teenagers. She lives in Murfreesboro and loves being involved in teaching preschoolers. She has such a sweet loving spirit and the children just love her.
- Miss Michelle is a full time student at Cumberland University. She is going to be a nurse and will graduate in May 2006. She lives in Rockvale and attended Eagleville School k-12. Prior to working for Little Rookies, she was employed at a day-care for 2 years. Miss Michelle is lots of fun and has a great time with the kids and they really love her!

Parents have been delighted with the overall experience of Little Rookies Preschool.

Here are just a few things some of the parents had to say:

Danielle's mom and dad, Susie & Jerry Manier says: "She loves coming to the preschool. She is so excited to come and play with her friends. The preschool is teaching her to share and play with others and obey rules. We were really nervous about leaving our 3-year-old in a preschool, but this has been a wonderful stress-free experience. We have the peace and confidence knowing she is in trustworthy capable loving hands.

Hunter's mom and dad, Michael & Rebecca Walls says: "He has really enjoyed going to Little Rookies Preschool. He has learned a lot of valuable lessons, enjoys all of the activities, his new friends, and teachers. We feel that the preschool is going to be very beneficial to him when he starts Kindergarten."

Tiernan's mom and dad, Mandy & Mike Connelly says: "With 3 older brothers, Tiernan really needed some little girls to play with. She loves playing dress-up and having new friends. The school has really been a positive experience for her".

Little Rookies Preschool is conveniently located in Rockvale on Hwy 99 across from the Citgo Gas Station. It is a great place to drop your children off on the way to Murfreesboro or Nashville to work, shop or play and pick them up on your return.

Call 274-3217 to experience the fun and excitement of the Preschool.

Citizens of the Month

Allen & Laura Virginia Hudson

Allen Moore and Laura Virginia (L.V.) Hudson have lived at their home place in the Rover Community since 1947. Allen, born September 8, 1914 in the Bunker Hill Community, is the son of Mary and Lee Hudson. He was one of eight children growing up in the Eagleville- Rover- College Grove – Kirkland area. Allen and his siblings helped their parents in the field and with farm chores while growing up. He attended area schools of the communities they lived in.

Laura Virginia, better known as L.V. was born August 29, 1920 near Rover in Bedford County and was the daughter of Cleveland and Mahalia Potts Sanders. L.V. married Everett White, son of Leonard Strickland and Ora Emily Reed White of the Flat Creek Community in Williamson County. They had

two daughters; Barbara Juanita White born July 17, 1936 and Virginia Ora Hallie Virginia White born August 5, 1939. Everett died May 20, 1940.

L.V. and Allen married on September 19, 1942 and Allen was inducted into the U. S. Army on December 31, 1942 at Ft. Oglethorpe, Georgia. When he left Ft. Oglethorpe, he was sent to Ft. Ord, California on a troop train. Ft. Ord was a major training post during World War II. From Ft. Ord, he was sent to Attu Island in Alaska where the weather was extremely cold with several feet of snow most of the time. The soldiers would dig out holes in the side of a mountain and sleep in sleeping bags. Sometime the holes would fill up with water and they would have to dig new holes. He worked on a ship unloading supplies for the troops, into small boats that would take them to shore. One day his leg was caught on a hook that was lifting supplies up in a net to dump them into a boat. He finally managed to kick out of the net and fell on to the ship. The fall crushed his knee and broke his leg. He stayed in Dutch Harbor Hospital for about 2 months and then returned to Attu Island. After his accident he was given a job in the motor pool. His job was to drive the Colonel everywhere he wanted to go. He continued to have trouble with his leg and was dismissed from the Army with a medical discharged in May 1945. He rode a train to Nashville and hitch hiked from Nashville to Chapel Hill, Tennessee where his family was living while he was in the service.

After returning home, Allen's family lived in the Unionville area and he started farming and trading

livestock. Their daughter, Janice Faye was born January 17, 1946 and they soon moved to Rover where he continued livestock trading until a few years ago when at the age of 86 he retired because of health problems. There aren't many farmers in this area that hasn't bought from or sold Allen livestock.

On September 19, 1992. Allen and L.V. celebrated their 50th Wedding Anniversary with their family and friends. Along with their three daughters; Barbara Juanita who married Jimmy D. Beasley (d. 1979), Virginia who married 1st Harold Spence (d. 1994) and 2nd John Thomas Taylor and Faye who is married to Ronnie Sudberry; they have six grandchildren and eleven great grandchildren.

A Step Back in Time

EAGLEVILLE SCHOOL—Part 4

Eagleville School from its beginning, when our ancestors attended, to the present day, is and has always been the foundation of the Eagleville community.

Even after three school fires, one in the early 1890's, one in 1923 which destroyed the new school approximately eight years old and one in June, 1994 that destroyed a large portion of the school, the community, parents, teachers, businesses, churches, clubs, local and county officials all came together and made sure that the Eagleville School student's education did not suffer.

Today the Eagleville School through the years of constant change and improvement is one, that the people of the community are very proud. Cooperation and work have been the essential factors in bringing the improvements about. Capable and conscientious school officials, including the board members and principals have had the major task of guiding the welfare of our school.

The following are some of the early changes and addition made to the school: In 1933, two new classrooms were added. 1948 an agriculture building was constructed out of army barracks that was moved on the school property, a cafeteria and classroom was added separate and back of the main school building. In 1950 Mrs. Katherine Williams taught the 5th grade in that classroom. Also in

1948 dressing rooms were added to the gymnasium; 1959 a home economics building added and in 1961 a breezeway from the main school building to the cafeteria was constructed. . By a deed signed October 28, 1963, W. Melvin Claxton and wife Elizabeth Sullivan Claxton sold an additional eight acres of land adjoining the school to the Rutherford County School Commission. These changes and additions are only a few that were added. Constant change and improvements over the years gave the students a much better learning environment.

From the late 1800's to the present, 2005, Eagleville School students have been fortunate to have an outstanding school to attend. Its curriculum is broad enough and basic enough to enable graduates to be accepted and graduate from any college or university. Eagleville alumni are represented in all fields and vocations – medical, legal, education, business owners, executives and others. Eagleville School has won many honors down through the years both in the literary and physical education areas. Many awards won both in achievement and sportsmanship.

Over the years there have been a constant growth of students attending Eagle-

Eagleville School—1st & 2nd Grade in 1934-35:

I'm sure that our ancestors that attended The Savage School, or the early Eagleville School were as proud of their school as the students are today. There have been many, many changes since I graduated from Eagleville High School in 1960. My senior class had twenty-one graduates, fourteen girls and seven boys. Most of our class started first grade together and graduated together. This formed a special bond that continues today. I hope the present and future students of Eagleville School will always respect and be proud of their education and where they received it.

Valentine's Day Trivia and Legends

Valentine's Day, a special day of the year set aside to honor love of all kinds, and especially romantic love. But do you know who Valentine was? Why was this special day set aside to honor St. Valentine?

Here are a variety of stories and legends . . .

1. Valentine was a Roman priest during the time of Claudis around AD269, who was martyred, then buried on the Flamian Way. He helped Christians during a time of persecution, was caught, put in jail, became a Christian, then was clubbed to death for this on February 14th, 269.

While in prison, legend has it that he sent messages to friends saying "Remember your Valentine" and "I love you".

2. In another story, it is said that Valentine was a priest that secretly married couples, defying the Emperor Claudius who had temporary forbid marriages.

3. Valentine was jailed for refusing to worship pagan gods. Making friends with the Jailer's daughter, he is said to have cured her through prayer, and on the date of his execution (Feb. 14th), is said to have written her a note signed "Your Valentine".

4. Or this 4th story is that Valentine was a bishop of Terni martyred in Rome.

The 14th of February has been set apart as the special day to remember St.

Valentine. This was one day before the Roman Feast of Lupercalia, a pagan love festival. In 496 A.D. Pope Gelasius changed Lupercalia from the 15th to the 14th to try and stop the pagan festival. The church realized that there was nothing wrong with celebrating love, only the pagan elements were wrong. And so Valentine had become known as the patron of love.

Signing an "X" for a Kiss

Love letters throughout the year are often signed with a string of "X's" to represent kisses. Why? Our practice of using an "X" grew out of the Medieval practice of letting those who could not write, mark documents with an "X" to represent their names. This was done in the presence of Witnesses and a kiss was given upon the "X:" to show sincerity. The "X" then became synonymous with the kiss in the minds of most people. There are two possible explanations why an "X" was chosen to represent one's name. One explanation is that the "X" shape was originally thought of as a cross. This "X" shaped cross was the symbol of St. Andrew. It may have been that people were making a pledge in the name of the Saint. The second explanation is that it may have been a pledge in the name of Christ. The "X", or chi symbol is also a letter of the Greek alphabet, which has also been used to represent the name of Christ.

Eagleville Lions Club Asks Families to Share History of Glaucoma

National Campaign Works to Prevent Blindness by Connecting Those Eligible with Free Glaucoma Eye Exams

January was Glaucoma Awareness Month and the Eagleville Lions Club encourages you to find out if you are eligible for a free glaucoma eye exam. EyeCare America in partnership with Lions Clubs International is offering these eye exams through its Glaucoma EyeCare Program. Call 1-800-391-EYES (3937) to find out you are eligible for a free glaucoma eye exam.

- Glaucoma is the leading cause of blindness among African-Americans.
- Glaucoma is 6 to 8 times more common in African-Americans than Caucasians.
- African-Americans ages 45-65 are 14 to 17 times more likely to go blind from glaucoma than Caucasians with glaucoma in the same age group.

Glaucoma often has no warning signs and the vision loss caused by the disease is irreversible. In the fight against blindness caused by glaucoma, EyeCare America asks people to get their Family Glaucoma history by following these three, simple steps:

Get Your Family Glaucoma History

1. **ASK:** "Does anyone in our family have glaucoma?"
2. **CALL:** 1-800-391-EYES (3937) to see if you qualify for a FREE exam.
3. **TELL:** Your family if you have glaucoma.

EyeCare America's Glaucoma EyeCare Program promotes **early detection and treatment of glaucoma**. It raises awareness of glaucoma risk factors, provides **free** glaucoma educational materials and facilitates access to a glaucoma eye examination.

The Glaucoma EyeCare Program is designed for people who:

- Are U.S. citizens or legal residents
- Have not had an eye exam in 12 months or more
- Are at increased risk for glaucoma (as determined by risk factors that include family history, race, and age)

People may call the toll-free help line at 1-800-391-EYES (3937) for themselves and/or family members, to see if they qualify for a glaucoma eye exam or to request free eye care information. The EyeCare America help line operates all day, everyday, year-round.

Those eligible for a referral through the glaucoma program receive a glaucoma eye exam and the initiation of treatment, if deemed necessary. Uninsured patients will receive the above care at no charge. Patients with insurance will be billed and are responsible for any co-payments and/or the cost of the eye examination. The Glaucoma EyeCare Program is co-sponsored by Pfizer Ophthalmics.

About EyeCare America - Established in 1985, EyeCare America, the public service program of the Foundation of the American Academy of Ophthalmology, is committed to the preservation of sight, accomplishing its mission through public service and education. EyeCare America provides eye care services to the medically underserved and for those at increased risk for eye disease through its corps of 7,500 volunteer ophthalmologists dedicated to serving their communities. More than 90 percent of the care made available is provided at no out-of-pocket cost to the patients. EyeCare America includes programs for seniors, glaucoma, diabetes and children, and is the largest program of its kind in American medicine. Since its inception, EyeCare America has helped more than 700,000 people and treated more than 180,000 cases of eye disease. EyeCare America is a non-profit program whose success is made possible through charitable contributions from individuals, foundations and corporations. FROM THE WIDE WORLD WEB - WWW

For those of you that don't have internet email, you tend to miss out on some pretty good statistics or jokes that get passed around the internet. For you, I decided each month to share some of this interesting fun.

The Year is 1904

Maybe this will boggle your mind, I know it did mine! The year is 1904 ... one hundred years ago. What a difference a century makes! Here are some of the US statistics for 1904:

- The average life expectancy in the US was 47 years.
- Only 14% of the homes in the US had a bathtub.
- Only 8% of the homes had a telephone.
- A three minute call from Denver to New York City cost \$11.00
- There were only 8,000 cars in the US, and only 144 miles of paved roads.
- The maximum speed limit in most cities was 10 mph.
- Alabama, Mississippi, Iowa, and Tennessee were each more heavily populated than California. With a mere 1.4 million residents, California was only the 21st most populous state in the Union.
- The tallest structure in the world was the Eiffel Tower.
- The average wage in the US was 22 cents an hour.
- The average US worker made between \$200 and \$400 per year.
- A competent accountant could expect to earn \$2000 per year, a dentist \$2,500 per year.
- A veterinarian between \$1,500 and \$4,000 per year.
- A mechanical engineer about \$5,000 per year.
- More than 95 percent of all births in the US took place at home.
- 90 percent of all US physicians had no college education. Instead, they attended medical schools, many of which were condemned in the press and by the government as "substandard."
- Sugar cost four cents a pound.

- Eggs were fourteen cents a dozen.
- Coffee was fifteen cents a pound.
- Most women only washed their hair once a month, and used borax or egg yolks for shampoo.
- Canada passed a law prohibiting poor people from entering the country for any reason.
- The five leading causes of death in the US were: 1. Pneumonia and influenza, 2. Tuberculosis, 3. Diarrhea, 4. Heart disease, 5. Stroke
- The American flag had 45 stars. Arizona, Oklahoma, New Mexico, Hawaii, and Alaska hadn't been admitted to the Union yet.
- The population of Las Vegas, Nevada, was 30!
- Crossword puzzles, canned beer, and iced tea hadn't been invented.
- There was no Mother's Day or Father's Day.
- Two of 10 US adults couldn't read or write. Only 6 % of all Americans had graduated high school.
- Marijuana, heroin, and morphine were all available over the counter at the corner drugstores. According to one pharmacist, "Heroin clears the complexion, gives buoyancy to the mind, regulates the stomach and bowels, and is, in fact, a perfect guardian of health." (Shocking!)
- Eighteen percent of households in the US had at least one full-time servant or domestic.
- There were only about 230 reported murders in the entire US
- And I forwarded this from someone else without typing it myself, and pasted it to this publication in a matter of seconds! Try to imagine what it may be like in another 100 years- it staggers the mind.

- A gathering of 65 family & friends were at the home of Jimmy and Jean Lamb's, for their annual New Years Eve celebration, to watch the old year out and the New Year in. A good time with lots of card playing and food was enjoyed by everyone.
- Captain Johnathan Ralston, his wife Janna and two sons from Colorado recently visited his grandmother, Katherine Redmon Yeargan of Murfreesboro and other relatives in the area. Johnathan has served a tour of duty in Iraq for a year and half and expects to be returning to Iraq in February. He is the son of Ronald Ralston who graduated from Eagleville High School in 1959.
- Congratulations to Rev. Trey and Brandi Lambert on the birth of a 7 lb 7 ounce baby girl, Joanna Grace, on Jan.17 at 5:20 P.M.
- John and Leandra Habel were honored with a baby tea for baby Emma at the Eagleville United Methodist Church, Sunday Jan. 23rd.
- On Christmas Eve night, LR and Elizabeth Edmonson were treated by their family to a 50th Wedding Anniversary dinner at the Stoney River Restaurant in Franklin. Their children surprised them with a trip, anywhere of their choice, to be taken this summer. Elizabeth & LR, be sure to take lots of pictures to share with the Eagleville Times.
- Recently, Kim Baehr was showered with gifts by friends and family as she and her husband, Ben Baehr, expect their first child, due on Feb. 25th, 2005. The baby shower was given at Rockvale Church of Christ on Sunday, January 9th, 2005. Guests enjoyed a gorgeous two-tier shower cake, decked out in baby blue and adorned with trains and teddy bears for the arrival of their new little boy they plan to name Jake. By the end of the shower the nursery was almost complete, as Kim received many gifts to welcome the new baby.
- A surprise birthday party was recently given for Greg Buchanan to celebrate his 30th Birthday. Greg was surprised by friends and family and tons of confetti, as he entered his home on January 14th, 2005. Everyone pitched in with the party, and had a great time eating salad and pizza, and watching Greg open some very comical gifts. Greg's weekend was complete with a guided Duck Hunting trip to Reelfoot Lake.
- Rick Rockwell, Pam Walker and her daughters, Amelia Kate and Maddie Lee, spent the Christmas holidays in Las Vegas. Rick lives in Eagleville and Pam & the girls are from Paris (pictured at right).

What's going on with your family, do you have guest, or are you traveling? Email or call and I will include your news in next months paper. Information must be received no later than the 25th of the month to appear in the next issue of the Eagleville Times. Send e-mails to bettyjaneshelton@aol.com or telephone at 274-6228.

History of Black History Month

Dr. Carter G. Woodson

Americans have recognized black history annually since 1926, first as "Negro History Week" and later as "Black History Month." What you might not know is that black history had barely begun to be studied—or even documented—when the tradition originated. Although blacks have been in America at least as far back as colonial times, it was not until the 20th century that they gained a respectable presence in the history books.

Blacks Absent from History Books We owe the celebration of Black History Month, and more importantly, the study of black history, to Dr. Carter G. Woodson. Born to parents who were former slaves, he spent his childhood working in the Kentucky coal mines and enrolled in high school at age twenty. He graduated within two years and later went on to earn a Ph.D. from Harvard. The scholar was disturbed to find in his studies that history books largely ignored the black American population—and when blacks did figure into the picture, it was generally in ways that reflected the inferior social position they were assigned at the time.

Established Journal of Negro History—Woodson, always one to act on his ambitions, decided to take on the challenge of writing black Americans into the nation's history. He established the Association for the Study of Negro Life and History (now called the Association for the Study of Afro-American Life and History) in 1915, and a year later founded the widely respected Journal of Negro History. In 1926, he launched Negro History Week as an initiative to bring national attention to the contributions of black people throughout American history.

Woodson chose the second week of February for Negro History Week because it marks the birthdays of two men who greatly influenced the black American population, Frederick Douglass and Abraham Lincoln.

My Favorite Recipe

Slow Cooked Pepper Steak

- 1 ½ to 2 pounds beef round steak

2 tablespoons cooking oil

¼ cup soy sauce

1 cup chopped onion

1 garlic clove, minced

1 teaspoon sugar

½ teaspoon salt

¼ teaspoon pepper
- ¼ teaspoon ground ginger

4 tomatoes, cut into eighths

or 1 can (16 ounces) tomatoes with liquid, cut up

2 large green peppers, cut into strips

½ cup cold water

1 tablespoon cornstarch

Cooked noodles or rice

Cut beef into 3x1 inch strips; brown in oil in a skillet. Transfer to a slow cooker. Combine the next seven ingredients; pour over beef. Cover and cook on low for 5-6 hours or until meat is tender. Add tomatoes and green peppers; cook on low for 1 hour longer. Combine the cold water and cornstarch to make a paste; stir into liquid in slow cooker and cook on high until thickened. Serve over noodles or rice.

Yield: 6-8 servings

Margaret's Helpful Hints

When using muffin tins, if you find you don't have enough batter to fill all the cups, pour a little water into the empty ones. This will prevent the pan from scorching.

To slice a cheesecake without a lot of mess, use a piece a dental floss a few inches longer than the diameter of the cake. Wrap the floss around your fingers tightly and press down and through the cake. Release one end of the floss and pull through the cake. Repeat until the entire cake is sliced.

When sautéing, always heat your pan before putting in the fat. This will temper the pan and reduce sticking.

T.V. Hosts Opening Bilingual Church In Rockvale

Television hosts of the first and only Bilingual Gospel
Music Show on the CTN Network "Gospel Fiesta" Joel
& Rose Perales, wish to announce the opening of a sec-
ond bilingual church; this one in Rockvale, TN.

Pastors of RIO DE VIDA Assembly of God Church in
Smyrna, TN., Joel and Rose Perales began with no
members. A year and a half later they are averaging
100 people from 11 nations in their congregation. Re-
cently, a church building in Rockvale, TN was made
available to them to open their second bilingual church
in central Tennessee. On Saturday January 29th, at 6:00
p.m., a grand opening is planned to let the nearby com-
munities' taste a bit of Latin with Southern Gospel fla-
vor of a ministry.

The vision is both simple and trend setting. Hispanic families are immigrating here and
placing their children in English speaking schools. The children are making friends with
English speaking friends. In no time at all, these Hispanic families are becoming Bilin-
gual families and looking for a church that can meet their needs. RIO DE VIDA is poised
to and training ministers to reach the communities with the highest Hispanic populations
first.

Pastor Joel Perales quotes, "it doesn't matter the size of the church that we start in, as
soon as we fill it and establish it, we will be starting another one somewhere else as God
leads".

Natives of San Antonio, TX., all this is much too easy for Joel and Rose as in the South-
west, 80% or more of all Hispanics are bilingual. Here it is all a novelty. When a person
visits a RIO DE VIDA church, they can expect to learn the other language much faster as
the lyrics are posted of all the bilingual songs they sing, on the big screen. From the first
word to the last, Joel and Rose ping pong with the languages. No one leaves unfed.

The public is invited to attend services on Thursdays at 7:00 p.m. and the grand opening
on Saturday Jan. 29th at 6:00 p.m. Rockvale Rio De Vida is just 6 miles south of
Murfreesboro on Hwy. 99. The church is on Versailles Rd.

Love is always open arms. If you close your arms about love you will find that you are left holding only yourself. ~ by Leo Buscaglia ~

My heart to you is given: Oh, do give yours to me; We'll lock them up together, And throw away the key. ~ by Frederick Saunders ~

The heart is the place where we live our passions. It is frail and easily broken, but wonderfully resilient. There is no point in trying to deceive the heart. It depends upon our honesty for its survival. ~ by Leo Buscaglia (Born For Love) ~

There is only one happiness in life: to love and be loved. ~ by George Sand ~

Love is an act of endless forgiveness. A tender look which becomes a habit. ~ by Peter Ustinov ~

Love does not consist in gazing at each other but in looking together in the same direction. ~ by Antoine de Saint-Exupery ~

You come to love not by finding the perfect person, but by seeing an imperfect person perfectly. ~ by Sam Keen ~

Love grows by giving. The love we give away is the only love we keep. The only way to retain love is to give it away. ~ by Elbert Hubbard ~

True love begins when nothing is looked for in return. ~ by Antoine De Saint-Exupery ~

Love is sometimes denied, sometimes lost, sometimes unrecognized, but in the

end, always found with no regrets, forever valued and kept treasured. ~ by Unknown ~

All love that has not friendship for its base, is like a mansion built upon the sand. ~ by Ella Wheeler Wilcox ~

Love is the emblem of eternity: it confounds all notion of time: effaces all memory of a beginning, all fear of an end. ~ by Germaine De Stael ~

The life and love we create is the life and love we live. ~ by Leo Buscaglia ~

For every beauty there is an eye somewhere to see it. For every truth there is an ear somewhere to hear it. For every love there is a heart somewhere to receive it. ~ by Ivan Panin ~

You may think of yourself as just a part-time farmer, but

When you need financing,

all we see is the farmer part.

It doesn't matter how large or small your farm is. When you need financing, Farm Credit Services of Mid-America takes your needs seriously.

All over Mid-America, people who keep their hands in agriculture can find FCS financing for real estate, homes, livestock, equipment, new barns or money to put out the next crop.

There is an explosion today in small-scale farming. People are coming back to the land. People from all walks of life. They are all "farmers," and they could be "you."

Today, our programs and products fit a part-time farmer better than ever in our history.

Today, we're here. Ready to help you. Call Jim Clark at (615) 893-7631.

Only In The Country

By Rachel Hedgepath

On December 20th, the Hedgepath and Lamb families' got together to pass on, to the younger family members, the ways of getting food in the ole days! Four hogs were killed for four families; John Hedgepath, Don Lamb, Gordon Lamb and Jimmy Beard families.

On the first day, the hogs were killed and gutted. The second day, we chopped the meat and sacked it with a cider press. We also made cracklins from the fat or lard. Several people were involved, with some just wanting to watch.

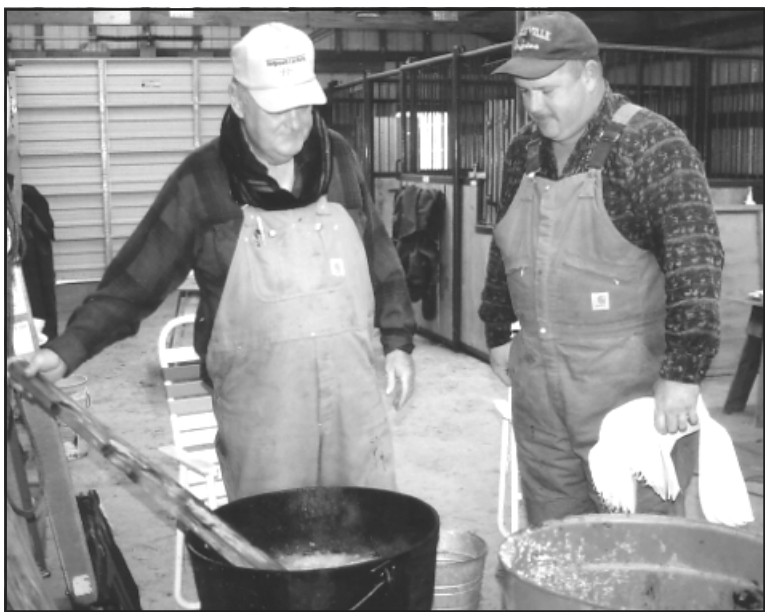

With such a wonderful turnout and a great experience for everyone, we might just try to do this annually.

Waiting for the water to reach the 140 degrees. L-R: Smitty, Hunter Marlin, Jim Hedgepath, Jimmy Lamb, Doyle, Jimmy Beard, John Hedgepath, Don Lamb, Johnson Hedgepath, Gordon Lamb.

Sacking the sausage with a cider press. Sarah & John Hedgepath

Rendering the fat to make lard. Jim & John Hedgepath

Finished with the killing. L-R: Sarah Hedgepath, Hunter Marlin, Samantha Beard, Doyle, Jimmy Beard, Don Lamb, Gordon Lamb, John Hedgepath, Dustin Lamb, Smitty, Cheryl Hedgepath.

On January 6, 2005, history was made in Eagleville when the ladies, 50'ish and over, met in Vickie Johnson's garage.

The first official Red Hat Society of Eagleville Chapter was formed. If you see a lady walking around in a red hat and purple dress, don't be alarmed. It's not an alien, (or at least I don't think it is) but a member of Eagleville's Red Hatters. If you are interested and didn't get to attend the first gathering, we will meet again on February 3rd at 7:00 pm at Vickie Johnson's garage.

Meetings will be the first Thursday of the month.

Schedule: Monday-P.J. Day Tuesday-Hat Day
Wednesday-Grease Day Thursday-Generation Day
Friday-School Colors Day

Monday

Monday's dress up day was pajama day. Shown to the right are the 6th period Spedsters.

(Clockwise): Melissa Huggins, Eva-lee King, Malia Maxwell, E.J. Proctor, Ashley King, and Mary-Alice Porter

The class competition for Monday was girls' basketball.

1st-Juniors, 2nd-Seniors,
3rd-Sophomores, 4th-Freshman

Tuesday

Tuesday's dress up day was Hat Day.

The class competitions for Tuesday was boys' basketball.

1st-Juniors
2nd-Seniors
3rd-Sophomores
4th-Freshman

Wednesday

The dress up day for Wednesday was Grease Day. There were no class competitions on Wednesday.

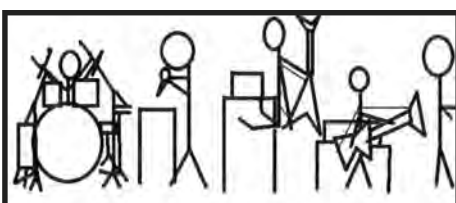

Thursday

Thursday's dress up day was Generation Day. The Freshman dressed like babies, the Sophomores like toddlers, the juniors like career adults, and the seniors like senior citizens. Some seniors (Catherine Wilczek, Kelsey Allen, and Brandon Harper) went all out with wheelchairs and walkers. It was by far the most humorous dress up day.

Friday

The Dress up day for Friday was School Colors Day. The class competition was Dodge ball. The Seniors and Sophomores were on a team playing against the Freshman and Juniors. The Juniors and Freshman won. There was also a pep rally.

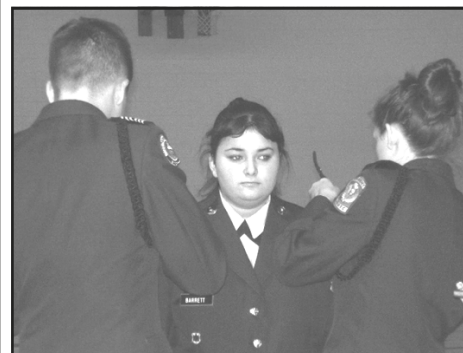

Friday Night—Boys and Girls Basketball against the Richland Raiders. These games were followed by the Homecoming Dance in the Old Gym. The Homecoming Queen was Lacie Gentry and the Homecoming King was Derek Elmore.

Rocky Glade Cumberland Presbyterian Church Youth Group Travels to Pigeon Forge

The Rocky Glade Cumberland Presbyterian Church Youth Group recently traveled to Pigeon Forge, Tennessee for a Student Youth Convention. The Youth Group went each day to the Governor's Palace Theatre to hear speakers and see concerts. On Wednesday December 29, the group arrived to listen to Jeffrey Dean and see Third Day and the Jason Elam Band. During the morning session the next day the group listened to speaker Mark Cahill. There was a break between the morning and evening session in which the group traveled into Gatlinburg to shop, eat, and sightsee. The evening session consisted of bands Casting Crowns and the Jason Elam Band and speaker Bob Smiley. The final morning session consisted of the Jason Elam Band and speaker Darren Whitehead. A great experience was had by all.

Junior/Senior Fashion Show

City Park Project Receives A Boost!

As reported, the City of Eagleville received a large federally funded grant to establish a park for Our use. In order to make use of the funds, it is necessary that the City show a one to one match for each dollar. Eagleville is glad to announce the reception of a \$3,000.00 grant from Middle Tennessee Electric Customer Care toward the building of the Park. Through this gift, the City now has \$6,000.00 to use to make improvements, build ball fields, work on the walking track or buy equipment. The City and all of us thank Middle Tennessee Electric for their generous gift. We also hope it is the beginning of many such gifts and awards that the City can use to make this dream a reality.

For more information about the Park Project, visit the City of Eagleville Web Site after February 1st where we will display many options for memorial donations.
