## Eagleville Ball Club - Another Successful Season

**Eagleville Sluggers**

The Eagleville Ball Club is proud to have just completed another successful season of spring baseball and softball. A total of 106 kids made up two 5/6 coach pitch, three 7/8 coach pitch, one 9/10 boys baseball, one 9/10 girls fast pitch softball, one 11/12 boys baseball and one 16/ under girls slow pitch softball teams. Each team played

about 12 games in different communities throughout Rutherford County. At the end of the season, each team participated in a tournament.

We realize that none of this could happen without all the supportive parents who volunteered their time to bring their children to practices and games; to work the concession stand during home games; and to sit in the stands and cheer on the teams. Thanks parents!

We also want to thank all the coaches for the hard work and dedication they showed their teams. There were three new coaches joining the seasoned veterans this spring and everyone did a great job. Coaches, don't pack those score book and balls too far back in the closet - next year is right around the corner!

Another big "thank you" goes out to all our team

sponsors this year. Thanks to you, our teams were able to purchase equipment, uniforms and trophies for their players. Our Eagleville teams were lookin' good!

Last, but not least, we want to thank all the kids who played this year. We hope you had a great time and learned a lot. Keep those bat and gloves handy and we'll see you again next spring.

## BROADWAY COMES TO COLLEGE GROVE

Thanks to the hard work of Just Dance owner Becky Holt, dance instructors Ms. Angie and Ms. Beth, the behind the scenes efforts of friend, and the many dancers who performed, the audience at the College Grove Artsitorium on June 11 enjoyed Broadway music and a variety of dance styles. Parents, grandparents, siblings and friends gathered as the lights dimmed promptly at 6:00 p.m. Performers made last minute costume adjustments, carefully applied their lipstick, and found a place to sit in the darkened auditorium to wait their turn on stage. Becky Holt welcomed everyone and then performed a beautiful ballet dance to *On My Own from Les Miserables*. Following her time in the spotlight, the dancers who have worked since Sep-

tember began taking center stage. Against a "New York Skyline" set, the performances alternated between dancers with years of experience, to those who have danced with Ms. Becky at Just Dance for the past four years, to beginners who just began last fall. The audience enjoyed ballet, pointe, tap, jazz, and modern dance as classes of two to eight dancers made the music alive through their performances.

Following the initial dance, Lauren Hines and Ashley Simpson performed to *All I Ask of You from the Phantom of the Opera*. Later in the evening, these same accomplished dancers

## FIREWORKS SAFETY TIPS

To help you celebrate safely this Fourth of July, the Consumer Product Safety Commission and the National Council on Fireworks Safety offer the following safety tips:

- Always read and follow label directions.
- Have an adult present.
- Buy from reliable sellers.
- Use outdoors only.
- Always have water handy (a garden hose and a bucket).
- Never experiment or make your own fireworks.
- Light only one firework at a time.
- Never re-light a "dud" firework (wait 15 to 20 minutes and then soak it in a bucket of water).
- Never give fireworks to small children.
- If necessary, store fireworks in a cool, dry place.
- Dispose of fireworks properly by soaking them in water and then disposing of them in your trashcan.
- Never throw or point fireworks at other people.
- Never carry fireworks in your pocket.
- Never shoot fireworks in metal or glass containers.
- The shooter should always wear eye protection and never have any part of the body over the firework.
- Stay away from illegal explosives.

## Happy 5th Anniversary Christy & Sam Carlton

People say the first 10 years is the toughest. I never really gave it much thought about the first 10 years of marriage being the most difficult. We've now been together for 8 years. It hasn't been easy, but I don't think any marriage is easy. There's always going to be conflict, even when we're celebrating our 50th. We'll argue over who get the 1st piece of cake. We have been through a lot together as a couple, probably more than any other could handle, but the good Lord has and is on our side. We have a beautiful family and life together. I love you Sam through everything. Thank you for not only

being my husband, but my companion, my friend and the father of our children. You're #1 in my eyes suga!

### Rockvale Church of God Annual Ribbons & Lace Banquet Celebrates Mother's Day

The men of the church served us a spectacular meal; Cajun roasted pork loin, creamed potatoes, baby lima's with mushrooms, buttered carrots, avocado mandarin tossed salad and yeast rolls. And to top it off with a choice of lemon meringue or chocolate pie. This is always so special to me to get to attend. We had a wonderful guest speaker. I got to have a wonderful time at my home church with my family and friends. To my daughter, mother, grandmother and mother-in-law, I love you all so much and had an unforgettable time. *Christy Carlton*

Just prior to intermission the audience enjoyed the talents of a group of hard working ladies: Connie Garner, Beth Holt, Denise Holt, Heather McKnight and Angie Steffy who performed a dynamic tap number to *Fever* from *Peg*. This group of dancers is always a crowd favorite. The Finale was the final dance number. Led by dancers Mallory Shanks, Lauren Hines, Ashley Simpson, and Amanda Bowden, and joined by many of the younger dancers performed to *On Broadway*. Each dancer was then recognized on stage and presented with flowers by her adoring fans of parents and grandparents to close the show. Dance instructors Ms. Beth, Ms. Becky and Ms. Angie award-

Elaine Freeman is better known as “Granny” not only to family but to everyone that knows her. She was born in the winter of 1912 in Bedford County to the parents of William and Rebecca Turner. Her family consisted of one brother and two sisters with Elaine being the youngest. Her mother passed away when Elaine was a small child, she learned at an early age life could be hard. Growing up she did family chores as well as milking cows, picking cotton, sewing and cooking. For education she attended the Haynes School in Rover. Granny can remember writing with penny pencils and studying the three “R’s” Reading, Rating, and Rithmatic.

Granny is known for her love of cooking, feeding everyone that stops by for a visit, and her handmade quilts, and baby blankets. The baby blankets are still crocheted by hand but the past few years the quilting has been done by the sewing machine. Every grand child, great grand child, and great-great child has either a handmade quilt or blanket. She doesn’t stop with family all we have to do is say there is a new baby on the way and she ask what colors can I make their blanket in.

Granny had three children: Earl Freeman, Sue Freeman Lamb, and Walter Freeman. She raised them through hard times as well as good. She has grand children, great grand children, and great great grand children. There are memories she can share about each and every one of them, and will be happy to share them if ask to. If you want to put a smile on her face just mention her grand children.

She has seen many changes and inventions in her 92 years of life. When talking with her she can remember riding in a horse drawn buggy to the first auto she rode in. She also has all of the old saying such as: “You have to plant a crop when the signs are right.” Or a way to predict the weather: “Count the fogs in August to know how many times it will snow.” There is also a remedy for any illness you might have.

Besides farming and raising her children Elaine worked at Community School in Unionville, TN for many years until she was made to retire. She has many fond memories of her coworkers and still talks with them over the phone. The children only knew her as Granny however she knew them all by name and probably still does.

Elaine is a member of the “Red Hat Society” of College Grove and a member of the College Grove Enrichment Center. Up until the past few months you would find her at the center in the middle of whatever was going on. She enjoyed going on the outings with both the “Red Hats” and the center. It kept her active and feeling young. Due to illness she is no longer able to participate in the daily events the

center offers. However, she loves to get visits and phone calls from all the great friends she has. She looks forward to the bingo parties that some of her friends come over to have at her house.

Everybody that knows Granny has a certain memory of her. If you ask the great grand children what food they think she cooks best it has to be the Famous Roni’s and cheese (or course there is a family secret). As for the grand children it would be those home made chocolate pies with the mile high meringue on top (which is the one thing she could never teach any of us to do). You can also remember the feeling of going over for holiday and all the smell of good cooking from the kitchen, and the famous words “Eat some more I know you can’t be full yet, there is still a whole cake in here.” But there would not be a cake; there was a variety of all foods so everyone could have their favorite. Family, Friends, and Food all good times. I think that is the memory most people have of Granny.

When I ask her what her favorite time of the year was it had to be Christmas. She loves going to Gatlinburg in November to see all of the lights and shows. When there she has to add to her collection of snow babies and thimbles. Her village of Christmas houses now have suburbs and growing.

I ask her today of all the inventions she has seen in her life what she thought the best one was. Her answer air conditioning (of course it was 90 degrees and the repair person was working on her a/c.) I also ask her if she could do or have anything what would it be: Her replied, “Be well, cool, comfortable and have my family with me.”

### GET UP AND GO

How do I know my youth is all spent?  
My get up and go has got up and went.  
But in spite of it all, I'm able to grin,  
And think of the places my get up has been.

Old age is golden, so I've heard said.  
But sometimes I wonder as I crawl into bed.  
With my ears in a drawer and my teeth in a cup,  
My eyes on the table until I wake up.

As sleep dims my vision, I say to myself,  
"Is there anything else I should lay on the shelf?"  
But though motions are warring and business is vexed,  
I'll still be around to see what happens next.

How do I know my youth is all spent?  
My get up and go has got up and went.  
But in spite of it all, I'm able to grin,  
And think of the places my get up has been.

When I was young, my slippers were red.  
I could kick up my heels right over my head.  
When I was older, my slippers were blue.  
But still I could dance the whole night through.

Now I am older, my slippers are black.  
I huff to the store and I puff my way back.  
But never you laugh: I don't mind at all,  
I'd rather be huffing than not puff at all.

How do I know my youth is all spent?  
My get up and go has got up and went.  
But in spite of it all, I'm able to grin,  
And think of the places my get up has been.

I get up each morning and dust off my wits,  
Open the paper and read the obits.  
If I'm not there, I know I'm not dead.  
So I eat a good breakfast and go back to bed.

How do I know my youth is all spent?  
My get up and go has got up and went.  
But in spite of it all, I'm able to grin,  
And think of the places my get up has been.

As this was given to me long ago by a friend,  
I'm passing it on to you.....Maye Taylor

## A Step Back in Time

By Bobbie Sue Shelton

### DR. EDWARD LESLIE WILLIAMS

Dr. Edward Leslie "E. L." Williams, born March 24, 1878 was one of seven children born to James Chesley and Mary Teresa McLean Williams. He received his education in Eagleville and entered Vanderbilt University as a pre-medical student. After graduating as a doctor in 1903 he practiced in Mississippi for a short time. Returning to Eagleville in 1910, he entered into business with his father in a general store that his grandfather Chesley Williams had established in 1832.

Dr. Williams' heritage includes several generations of very prominent family members.

His great grandparents, James A. and Sarah Allison Williams came to Williamson County as newly weds. They married October 8, 1808

in Grandville County, North Carolina and came to Tennessee soon after. They settled in Williamson County east of College Grove and about three miles north

Dr. E..L.. Williams

of what is now Eagleville. James was a minister of the Methodist Protestant Church. It has been

said that James and Sarah did not like the free and easy ways of some of their neighbors, so he looked for a new location to raise his family. In 1812 with their expanding family they relocated along the old Nashville Pike, about twelve miles south in what would become Marshall County. Their new home-site was on Spring Creek, which furnished plenty of water for the farm and a freshwater spring supplied the family's new two-story log house until a well could be dug. Slave cabins, a gristmill, tannery, saw mill, barns and other outbuildings were soon added as the Williams plantation continued to grow. A blacksmith shop, woodwork shop and store made the farm almost self-supporting. The mercantile contained a general store, post office, wine cellar and tailor shop. James Williams was also a gifted tailor, cutting and fitting men's suits from the finest materials available.

The plantation deserved a name and "Civil Order" was selected because James Williams had said of the place, "Here I will have law and order." Civil Order became the name of the post office, and family members have letters post-marked, in James Williams' own handwriting, from the 1830s and 1840s.

James built his own church south of the family home and established a cemetery just west of the structure. As a minister he also traveled the region to preach the gospel. In addition to his busy life at Civil Order, he also established a water

Chesley Williams Store (1st Store from the left)

mill on the Duck River, five miles away.

Chesley, the oldest child of James A. and Sarah was born in their old home near Eagleville, in 1809. No man has figured more prominently in Eagleville history as Chesley Williams. He first settled in Triune, shortly moving to Eagleville. He married Elizabeth Jordan in 1830 and they were parents of ten children, nine who lived to adulthood. Their children married into the Ransom, McCord, Lowe, Sullivan, Haley and McLean families of the Eagleville area. Their daughter, Fannie Forrester Williams married Professor George Martin Savage of Murfreesboro, who brought higher education to the Eagleville community. In 1884 Dr. Savage became the principal of the Male and Female Academy. Dr. Savage remained in Eagleville six years. He established one of the best schools to be found anywhere; even the city schools of Tennessee were no better than the Eagleville School. According to the late Scott Williams, brother of Dr. E. L. Williams, "the Eagleville School was good because George Martin Savage, was often referred to as the most thoughtful man in the world and one of the South's fore most educators." On June 4, 1890, the trustees of the Eagleville School were present for commencement exercises. After the exercises, Dr. George M. Savage announced that he had been unanimously elected president of Southwestern Baptist University and would resign from the Eagleville School. It was noted that after this meeting, his father-in-law, Chesley Williams, a trustee of the school took to his bed. Upset is probably an understatement of how he reacted to the news of his daughter and Dr. Savage leaving the Eagleville Community.

It has been said that Chesley Williams sold the first goods in Eagleville. He established a general store in 1832, which was in continual operation by his direct descendants for 140 years when it was sold in 1972. The store was passed down from father to son, through three generations. As far as can be learned, it was the oldest business in the county at that time. In those early days, the store served as a center of barter. Homespun, hand made articles were bought and sold. There were few manufactured items in the stock.

During the Civil war the Yankees burned down the store building. It was rebuilt about 1868 in the same location, and business was resumed. It was about the time of the war that Chesley Williams took his son, James C. Williams, in as a partner. Six or seven years later, James C. and his brother, R. E. Williams, formed a partnership and took over the store. They continued its operation until 1894 when James C. bought out the interest of R. E. Williams, who then moved to Nashville.

A 1904 store advertisement: *Clothing, Hats, Shoes, Dress Goods, Millinery, Carpets, Matting, Drugs, Hardware, Groceries, Queens Ware, Etc. Country produce taken in exchange for Goods.*

Motto of the store when James C. was its operator was: "Everything from a pin to a threshing machine".

James C. Williams continued the operation of the store until 1910, when his son, E. L. Williams returned to Eagleville and took over the store. James C. Williams who was also the Eagleville postmaster 1893-1897, and the president of the Bank of Eagleville in 1904 died in 1913.

Front of the store in 1934.

Rear of the store in 1934.

Over the years, Williams Store was remodeled several times. In 1936 the building built in 1868 was remodeled for the last time during the Williams ownership. On the front of the store is a stone with an inscription of the establishment and the last remodeled date. The Eagleville and surrounding communities was very fortunate to have a store where a prescription of medicine, fabric for a quilt or dress, a pair of pants or a pair of shoes could be purchased. Since 1972 the Williams store building has changed ownership several

times and housed several different businesses.

As a doctor, Dr. Williams was able to prescribe medicine and give shots. Many citizens of Eagleville and surrounding areas considered Dr. Williams as their doctor. They would go to his store and tell him of their ills. He would diagnose their problem and sell them the medicine they needed. Anyone who was ever in Dr. Williams' store remembers his faithful bookkeeper and clerk, Miss Pearl Tucker who worked for him for 52 years. At times you would have thought it was she who was the doctor. She had worked for Dr. Williams so long she could and would diagnose your problem and prescribe a cure. Dr. Williams continued as owner and operator of the store until it was sold and he retired in 1972 at the age of 93. Miss Pearl who at the age of 80 was also working by his side until his retirement.

Dr. Williams was 1<sup>st</sup> married to Annie Ellen Corlett, daughter of Meredith Gentry and Sallie Annette Barker Corlett of Williamson County. She was born in 1883 and died in 1934 and was a school teacher at the Flat Creek School in Williamson County. Dr. Williams married 2<sup>nd</sup> to Katherine Ormes daughter of Weatherston and Connie Cooper Ormes. She was born in 1900 and died in 1970. No children born to either wife. Katherine taught school at Eagleville and later a substitute teacher for several years. They lived in the last house on the left at the end of Church Street and were active members of the Eagleville Baptist Church.

Dr. Williams was a leader in civic affairs and was also a director of the Bank of Eagleville.

He was known to be a very generous man. One night the store was broken into and robbed. Very important papers were stolen and later found in an adjoining county by a honest citizen who returned the papers to Dr. Williams. To show his appreciation, Dr. Williams purchased him a small farm. He and Katherine was also known to make very generous donations to their church and the Union Uni-

versity in Jackson, Tennessee in memory of his uncle, Dr. George Savage.

Dr. Williams died January 26, 1974 at the age of 95. He was without doubt one of Eagleville's leading citizens.

# Rocky Top Gardens Tea Party

Everyone should experience a formal tea party....at least once. Twelve lucky ladies shared and iris themed Tea at Phil Williams Rocky Top Gardens home recently. Ladies only, Phil was not invited to the table. He did, however, play beautiful background music on his concert grand piano.

The formal dining table had a hand-woven-for-the occasion covering of purple and lavender ribbon. Individual Capodimonte porcelain iris blooms graced each place setting. The refreshments were served on N’Orleans iris patterned china. What a beautiful table.

*The Tea:* Single serving pyramid-shaped tea bags made of silk with green silk leaf top provided much animated table talk....along with many cups of delicious tea. Each tea bag had its own ceramic stand.

*The Food:* A variety of seven finger sandwiches were presented colorfully displayed on a 3-tiered rack. Crab salad was served in individual crab shaped dishes. Tiny bite-sized deviled quail eggs were displayed on an antique Clarks Tea-berry Gum stand.

Carol Lynn with Trump

*The Dessert:* Carol Lynn Wilson, personal pastry chef to Donald Trump at his Palm Beach, Florida home, Mar-A-Lago, prepared and served a dessert trio. Each lady was presented an eye-and-palate pleasing finale to this delightful feast. Served on yet another iris patterned plate of Mikasa china, the pastries were awe-inspiring: the 3-layer chocolate tart was sprinkled with 18-carat edible gold leaf; a medley of fresh strawberries and blueberries was presented in a cara-

mel kissed wonton cup and topped with mint leaves; a coconut and raspberry square was dusted with powdered sugar and topped with candied wood violets from Paris, France. No wonder the comments in the guest book included “Fantastic” and “Delightful” as well as “Most Wonderful!”

Hostesses for this joyous afternoon get-together were Grace Trombley and Carol Lynn Wilson of Lake Worth, Florida. Seating and serving the ladies was Bill Trombly of Eagleville Florist. Bill was personal florist to Donald Trump for ten years before retiring to Eagleville.

Local invitees were Debbie Ryan, Margaret Ryan, Barbara Owens, Laura Ralston and Wanda Steagall. Sandra Green, Bonnie Wood and Mary Nell Adcock came from Murfreesboro; Mary

# Margaret's Helpful Hints

To eliminate odor from collards being cooked, add one washed un-shelled pecan to the collards pot before turning the stove on.

To make fluffier scrambled eggs, beat in a small amount of water instead of milk.

No buttermilk? Add 1 teaspoon distilled white vinegar to 1 cup fresh milk; let sour for 5 minutes.

### Wave Your Flag Cake

- 1 qt. Strawberries (about 4 cups), divided
- 1-1/2 cups boiling water
- 1 pkg. (8-serving size) or 2 pkg. (4-serving size each) JELL-O Brand Gelatin, any red flavor
- Ice cubes 1 cup cold water
- 1 pkg. (12 oz.) pound cake, cut into 10 slices
- 1-1/3 cups blueberries, divided
- 1 tub (8 oz.) COOL WHIP Whipped Topping, thawed

**SLICE** 1 cup of the strawberries; set aside. Halve remaining strawberries; set aside. **STIR** boiling water into dry gelatin mix in large bowl 2 minutes until completely dissolved. Add enough ice to cold water to measure 2 cups. Add to gelatin; stir until ice is melted. Refrigerate 5 minutes or until slightly thickened (consistency of unbeaten egg whites). Meanwhile, line bottom of 13x9-inch dish with cake slices. Add sliced strawberries and 1 cup of the blueberries to thickened gelatin; stir gently. Spoon over cake slices. **REFRIGERATE** 4 hours or until firm. Spread whipped topping over gelatin. Arrange strawberry halves on whipped topping for "stripes" of "flag." Arrange remaining 1/3 cup blueberries on whipped topping for "stars." Store leftover cake in refrigerator.

## Eagleville Marching Band Attends Positive Performance Concepts Clinic at Blackman High School

The Eagleville marching Band attended the 2 day Positive Performance Concepts Clinic at Blackman High School on June 17th and 18th. This clinic is a series of motivational sessions and individualized practice with emphasis on special technique. There are special groups for each section in the band. (woodwinds, brass, color guard, drum majors, and percussion) The band divided up throughout the day to gain extra practice for the upcoming marching band season.

There were approximately 250 band members from over 30 different high schools throughout the state of Tennessee. Clinicians for the event included Scott Lang (leadership sessions), Richard Saucedo (wind instrument sessions), Damon Padilla (color guard), Julie Davila (percussion), Ashley Jarrell (drum major), Kelly Medford (drum major), and Terry Jolley (PPC operations and director's in-service).

## Seniors Making A New Start

Over the past few weeks since graduation, several seniors have made some of the most monumental decisions in their life thus far. Matt Vaughn has decided to sign a contract with Martin Methodist college to play baseball. Brandon Lamb has also decided to sign a contract with Columbia State to play baseball as well. Both of these students have exhibited excellent athletic abilities during their high school careers and both have decided to continue their love of the sport into college. Vaughn and Lamb met at the school with parents, high school, and college level coaches to sign their contracts.

## US Bank High School Star Award

Kelly Medford, band instructor for Eagleville High School, was recently awarded the US Bank High School Star Award. This award is a very special recognition given to one special student or teacher each month during the school year. Throughout the year, viewers write WSMV telling us why a certain student or teacher is so special. Each entry is read and judged by WSMV. Each week, a winner is chosen and aired on Channel 4 News. Each winner also receives a \$500 Visa Check card from US Bank!

Quotes from the nomination form:

"Kelly Medford is the band instructor at Eagleville High School. She is an outstanding teacher. She has encouraged her students to participate in all of the Rutherford County band events and is hosting some of the events," such as Solo and Ensemble Festival.

The band's trip to Orlando in April was "a wonderful opportunity for the group."

"Mrs. Medford is a great asset to Eagleville School and is very involved with her students. I feel she deserves Channel 4's star teacher award."

Happy Birthday Patricia Davis

Sometimes I sit and wonder if others are as lucky as I am to have such an extraordinary, special mother.

I value each and every day that I get to spend with you mother. Every conversation, you're always giving me good advice and not tried to steer me wrong. I'm very thankful for you. Without you, there'd be no me and without me there'd be no Emily, Luke or Dustin. Each day is a new beginning—another chance to learn more about ourselves, to care more about others, to laugh more than we thought we could, to be more than we were before. Thank you mother for being such a great teacher and leader in my life. I love you to the end of the world and back continuously! Always love, your daughter, Christy
