FIELD DAY IN EAGLEVILLE

What does it take to build a football stadium? It takes the same ingredients needed to build a football program; coaches, players, parents, administrators, teachers, cheerleaders, siblings, students, alumni and community fans working and playing hard. And on August 8th and 9th these groups came together to lay sod on the nearly completed Eagleville football field on Highway 99. After securing the sod, plans were quickly made to lay it on Saturday August 9th using volunteer labor. Coaches and a small group of volunteers including recent graduates who played on the inaugural team last year began Friday evening. Work began again on Saturday at 8:00 a.m. By 9:00 a.m. an estimated 100 people were busy "playing in

the dirt", lugging over 7000 sod rectangles on the dirt field, fitting them like jigsaw pieces on a huge puzzle, stopping only long enough to drink one of the 350 bottles of water consumed that day. By noon these volunteers took a short break to eat some lunch provided by the Eagleville Football Booster club and returned back to work. At 3:30 that afternoon, the last piece of sod was fitted, cut and laid by the Eagleville Coaching staff. Covered in dirt and sweat, arms and necks sunburned from a day of hard work in the sun, volunteers collapsed on the remaining sod piles, drinking water and eating watermelon.

Eagleville Antique Tractor and Gas Engine Show

By Buddy Woodson

Mark your calendar for September 5th, 6th, & 7th. The Tennessee Valley Pioneer Power Association will be hosting it's 16th Annual Antique Tractor and Gas Engine Show in

Eagleville. We will be "breakin new ground" this year by hosting the show at our new show grounds on Chapel Hwy. (Hwy 99 approx. 1 and 1/2 mile from our original site at Eagleville School.) We are going to have our first 3 day show this year with a Friday night Pure Stock Tractor Pull (The kind grampa plowed with). Gates will open at 7 am on Friday and the pull will get underway at 6 pm. We have always had a lot of folks to come on Friday for a preview so we decided to make it worth their time and have some fun in the process.

The gates will open at 7 am on Saturday morning for a full day of enjoyment for young and old alike. The famous Parade of Power will take place at 11 am. The Tractor Olympics will follow the parade featuring tractor slow races, hand cranking contest, and a tractor pushing contest. Following the Olympics will be the highly acclaimed children's pedal tractor races and pulls for ages 3-10. Bring the cameras and get you a ringside seat!! The

"Miss Maye" Bennett Taylor

Maye was named after her aunt who liked to dress up and look pretty, a trait which she inherited. She still liked to be a tomboy at times.

She attended all 12 years and graduated from Eagleville School, playing basket ball from 1925-1930. Part of this time, they had to play outdoors (no gym available) on just the hard ground (there was no blacktop) which was lined off for a court. All the games had to be played in the afternoon due to no lights. Maye played jump center and started playing on the high school team as a sub in the eighth grade. When she was a sophomore, a great event happened—a new gym was built. A picture of the 1930 girls basket-ball team and also the 1928 boys team hangs in the Eagleville Community Center.

Maye has attended Mt. Vernon Cumberland Presbyterian Church most of her life and is

the oldest member now attending. She is know as "Miss Maye" and the "fried pie lady". She and her best friend, Louise Stem Bennett (now deceased), were know to sing duets for church when they were both in their nineties. They would practice over the telephone.

Maye enjoys writing poems which she has done for many years but really has gotten serious about writing during her eighties and nineties. She enjoys reading them at church and senior citizens luncheons.

She attends the Eagleville Senior Citizen luncheons and enjoys playing rook. She hunts for a good partner and a good chance to "shoot the moon".

Miss Maye recently took a hard fall which landed her in the hospital and rehab for four weeks but she is back attending church and senior citizens. Due to the recent fall and the encouragement from her family, the use of the 22 rifle on groundhogs hopefully will be laid to rest at age 91.

To her many grandchildren and great-grandchildren she is fondly know as "Nanie" and is famous with them for dumplings and "bear tales".

Maye is actually quiet famous around Eagleville. She is known for having taken the first injection shot from a doctor in our town.

When she was a small child, she contracted Memor's croup, which was considered very dangerous for children. Dr. R.C. Garrett, the family doctor, had to inject her with the anti-toxin. Dr. Garrett told Maye's parents that he thought he had something that would take care of this, it's all new. The doctor told Maye's daddy to get the light red and he would give her the shot. Daddy was holding Maye on his lap and Mother was holding their best lamp. Into Maye's hip the shot went and she kicked the lamp chimney right out of Mother's hand. She couldn't help it, it hurt. They sat up with Maye all night, but all she could do was sleep. As Maye said, "next morning I was all better, thanks to Dr. Garrett and the Lord, they saved me. That was the first shot that was given in Eagleville so it became good medicine for croup. It was tried out on me first—I've heard him tell about this several times."

STEP BY STEP

He does not lead me year by year
Nor even day by day.
But step by step my path unfolds,
My Lord directs my ways.

Tomorrow's plans I do not know
I only know this minute.
But He will say "This is the way.
By faith now walk ye in it."

And I am glad that it is so
Today's enough to bear.
And when tomorrow comes
His grace exceeds its care.

No need to worry then or fret
The God who gave his Son
Holds all our treasures in his hands
And gives them one by one.

Why then do we forget
To thank our loving Father
For such a beautiful life
That we may rest with Him
tomorrow.

School News

Eagleville School - Pre K - 5

Eagleville Elementary is off to a soaring start. This section of the school now consists of 14 classes Pre K-5. There have been some changes among teaching positions. Welcome to Mrs. Erin Clarkson Elrod, a 1990 graduate of Eagleville, as the interim teacher for Mrs. Nell Mefford in Kindergarten. Pam Truitt, former 4th grade teacher, is now teaching kindergarten. Theresa Hill is teaching 4th grade to the same 3rd graders that she taught last year. Mrs. Rigdon is back as elementary school guidance counselor after a year's leave of absence. Miss Audra is back after an extended illness. Mrs. Holton is back after recovering from heart surgery last spring and she welcomes a new granddaughter.

Deion, the school rabbit is beginning his 5th year of school but will be moving up to 4th grade. He was excited to get his first animal cracker of the school year.

The children have all adjusted to being back to school very quickly. It has come to the attention of Mrs. Woodson that the first graders are missing naptime but they all love first grade!

The Eagleville Middle School Volleyball Team kicked off their 2003 season on August 15 & 16 with a pre-season tournament at Cumberland University. The Lady Eagles defeated Mt. Juliet Middle in the first round of the tournament 25-16, 22-25, 15-11. The Lady Eagles took charge of the first game behind the strong serving of Chelsea Lamb, Ashton Vaughn, and Rachel Hedgepath. In the second game of the match the Lady Eagles got off to an excellent start, but they began to struggle and dropped the second game to Mt. Juliet. The third and deciding game of the match was a nail biter, but the Lady Eagles came out on top. Unfortunately the Lady Eagles were eliminated in the second round of the tournament by Rock Springs 14-25, 7-25. The Lady Eagles setter, Chelsea Lamb, was named to the All-Tournament team for her performance over the weekend.

Regular season play began on August 19 against Freedom Middle. The Lady Eagles were defeated in two straight games 14-25, 14-25. However, the Lady Eagles B-team put on an excellent performance and defeated Freedom in two straight 25-21, 25-22.

MIDDLE SCHOOL FOOTBALL

The Middle School team worked hard during the 2002 football season, fielding a team that was dedicated to improving their skills and learning the game. They played middle schools ranging in size from single A to 5 A throughout middle Tennessee. Coach Meadows and the other coaches saw the players progress in their knowledge of the game and their ability and many of the players are returning to play on middle school or varsity for the 2003 season. Although the team did not win any of the games, all of the players and managers are winners for the positive relationships they built with the coaching staff, the strength of character they developed, the skills and

knowledge of the game they gained, and the experience of being part of a team. Middle School participated in the Jamboree at Forrest School on August 17. After a long hard fought contest, the Middle School won by scoring the only touchdown in the game. Everyone from coaches, to parents, to players, to fans were very excited about the outcome of the game and the determination and dedication these players showed. Everyone is also looking forward to a competitive 2003 season.

Schedule and photo provided by Rich Williams

Eagleville Volleyball Season has begun although the work began months ago. The program is seeing lots of changes including two new coaches, Andrea Kelly and Deanna Lamb and the graduation of many of the key players on the Varsity Team. The players and coaches have been working hard since spring to build their skills and endurance and gain valuable game experience by attending various camps and competing in pre-season tournaments and scrimmages. The season will be challenging both for the middle school players where the program is relatively new and for the varsity team which is a young team with no seniors. But you can never underestimate an Eagle. (WIT) Whatever It Takes.

“LITTLE GREEN HAY”

Owner of “Little Green Hay’s Big Hardware Store”. The store once stood where the Beauty Shack is today. Green Hay’s trademark was a derby hat. When he realized they were going out of style he bought four at once, thinking that should last him until the day he died. He estimated that he had worn out fifty hats in his lifetime. Green Hay died in 1967 at the age of 98.

Robinson and Timberlake

Brandy Marie Robinson, of Eagleville, and Joshua Daniel Timberlake, of Murfreesboro, were married August 9 at Eagleville Baptist Church, with Larry Nobles officiating. Nuptial music was provided by Scott Bolden, pianist.

The bride is the daughter of Mr. and Mrs. Ronnie Hill of Eagleville, and Tony Robinson of Chapel Hill. The groom is the son of Mr. and Mrs. Roger Smith of Murfreesboro, and the late Butch Timberlake of Murfreesboro.

The bride was escorted

down the aisle by her grandfather, Mr. Don Wilson.

Brandi Timberlake, sister-in-law of the groom, served as her friend's maid of honor. Attending as bridesmaids were Candice Rigsby and Nicole Smith. Flower girl was Hannah Wilson.

Jeremy Timberlake was his brother's best man. Groomsmen were Tony Faulk and Michael Thomas. Serving as ring bearer was Brady Timberlake.

Following the ceremony, the reception was held

in the fellowship hall and courtyard of the church. Assisting with serving at the reception were Kimberly Appleton, cousin of the bride; and Ashley Benedict and Ashley Bartlett. Hannah Gordon and Jenni Winter attended the bridal guest register.

The couple are residing in Murfreesboro.

Boyce and Anderson

Bobby and Mary Boyce of Eagleville announce the marriage of their daughter Jennifer Lee to Dustin Lee Anderson.

The wedding took place on July 18 at the Rockvale Cumberland Presbyterian Church. The church was decorated with a variety of Greenery, White Calla Lilies, and Stephanotis along with touches of silver and gold. The church was illuminated throughout with the warm glow of candlelight. Pastor Tony Anderson, uncle of the groom, was the officiating minister. Brenda Williams was the organist. Her parents gave the bride away.

Jennifer's gown was satin with tulle overlay. It had sequense of flowers and beads throughout the tulle. The upper portion of the gown was satin with sequense of flowers, beads, and lace with dainty pearl spaghetti straps. There was an ele-

gant hint of gold and silver throughout her gown. Her veil was made of tulle. The bride carried a bouquet of white Calla Lillie and dainty stephanotis held with silver satin ribbon.

The matron of honor was April Gunter of Murfreesboro. The maid of honor was Jennifer Bozeman of Murfreesboro.

Bride's maids were Jamie Boyce, sister of the bride, and Jesse Willard of Murfreesboro. The bride's maids wore matching satin gowns of gold with a train of silver underlay and carried white Calla lilies. Bethany Anderson Leonard, sister of the groom read scripture wearing a beautiful navy blue gown trimmed in satin. Ringmaster was Joah Winford who wore a pintsize

tuxedo is the son of Andy and Karen Winford. Flower girl was Micayla who wore a beautiful satin dress with tulle overlay is the daughter of Mike and Claudette Carrion of Murfreesboro. The ushers were Jeremy Boyce, and Kevin Boyce brother and cousin of the bride. The best man was Verlin Gill of Murfreesboro. Groomsmen were Mike Anderson, Josh Anderson, of both Rockvale, and Andy Leonard of Christiana. Angela Boyce, Karah Boyce, Laura Sullivan and Rachel Sullivan, were the servers, all cousins of the bride. The wedding trip was in Cozumel, Mexico.

Dustin and Jennifer Anderson now reside in Murfreesboro with their puppy Ros.

JESSE EMERY IS THIRD GENERATION EAGLE SCOUT

On Sunday August 10, 2003 Jesse Emery was honored at a ceremony held at Eagleville United Methodist Church and a reception at the Community Center for achieving the Boy Scout rank of Eagle, becoming a third generation Eagle Scout. Jesse is the son of Trish and Mike Hayes, Eagleville residents and Steve and Paula Emery who live in Louisville, Kentucky. Jesse's grandparents Carolyn and Bill Fleet, Janice Emery and Tom Schweitz, Peggy and Leon Hayes, as well as other family, friends and members of Scout Troop 123 attended the ceremony. Bill Fleet, Jesse's uncle, played bagpipes during the ceremony. Mike Hayes, Scout Master, and Don Davis, Assistant Scout Master lead the ceremony and Jesse's mother and stepmother pinned him with his Eagle pin.

Jesse received letters of congratulations from Senators Frist and Alexander, Representative Bart Gordon, Governor Phil Bredesen, State Representative Larry Trail, Councilman Dwight Throneberry, Mayor Nolan Barham, and President and Mrs. George W. Bush. These letters with other memorabilia from Jesse's experiences in Cub Scouts and Boy Scouts were on display at the Community Center. These included pictures of campouts, summer camp, National Jamboree, his Cub Scout Wolf, Bear, and Webelos Book, patches he had collected, and his Tiger Cub T-shirt and Cub Scout uniform

shirt and his Cub Scout Belt filled with belt loops he earned.

Jesse has been a part of the Eagleville Cub Scout troop and Boy Scout troop 123 since second grade. He was a Tiger Cub in first grade in a troop in Nashville. As a Cub Scout he was always competitive at the Pinewood Derby, participated in the Food for Families collection drive held each year, attended District and Council Day Camps, Summer Camp, Campouts and Jamborees. He earned a variety of sport and academic belt loops and all of the pins available through the Webelos program. He was awarded the Arrow of Light, the highest honor that a Webelos Scout can earn.

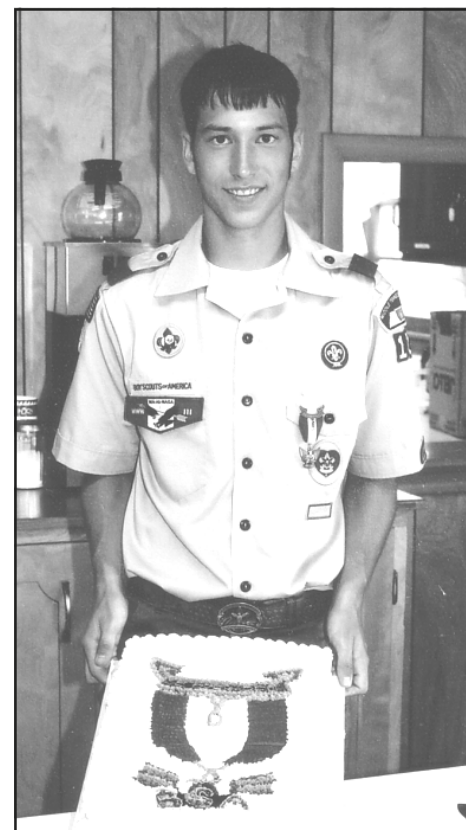

As a Boy Scout, he attended Junior Leader Training. He was elected into the Order of the Arrow, completed Ordeal and has reached Brotherhood rank. As a Scout he attended Boxwell reservation for summer camp for five years and worked on the C.O.P.E. staff during the summer of 2000. Jesse earned more than 30 merit badges and completed all the requirements for the ranks of tenderfoot, second class, first class, star and life. He attended the National Jamboree in 2001 at Fort A.P. Hill in Virginia. He was awarded the Wooden Spoon award from his Troop for his cooking skills. While at Jamboree he earned all of his "Rockers" by visiting and completing requirements in 5 areas at the Jamboree. Other Scouting high-

lights include rock climbing, white water rafting on the Ocoee, camping and hiking, and the C.O.P.E. program at Boxwell.

Jesse also participates in school activities including varsity football, basketball, and baseball, FFA where he is an officer, and Student Council. He is a senior at Eagleville School, maintains a 3.75 GPA on a strong academic schedule and will graduate in May 2004. He plans to attend college at Colorado State and major in Landscape Architect. Jesse is an active member of Eagleville United Methodist Church.

For his Eagle Project Jesse and his peers rebuilt 3 sets of bleachers and built two picnic tables. His Eagle Project benefits the Eagleville Lions Club, the troop charter organization, the TVPPA-Tennessee Valley Pioneer Power Association (tractor club) and various other community groups. Jesse spent over 100 hours organizing and working on the project. TVPPA and the Lions Club provided support and resources for the projects.

The Eagleville Lion's Club is active in Lion's Club activities on the local, state, and international level, as well as assisting persons within the local community with emergency needs. One of their annual fund-raisers is a walking horse show. The show is a tradition and draws a large crowd of spectators and horses. The bleachers are needed for seating for participants and spectators. The picnic tables will be used in the concession area for eating. Additionally, the Eagleville Community Center Organization sponsors a country horse show each year to support the local library and community center building. The bleachers and tables will be used during those horse shows as well. The Eagleville Ball Club now has two ball fields on the school property and bleachers are needed for spectators at various events. Also, the TVPPA, (tractor club) holds an Antique Tractor Show and pull each year. The Tractor Show usually has over 500 antique tractors and farm equipment. Some 10,000 people visit the show grounds during the three day event and

bleachers and tables are needed at that event as well. During the annual Tractor Show, a variety of school based groups and non-profit groups sell concessions as fundraising events. The Tractor Show benefits these groups by providing these opportunities to raise money.

Salute to Eagle Scout Jesse Emery!

Boy Scout Troop 123 meets each Tuesday evening at 7:00 p.m. at the Eagleville Community Center. Anyone interested in joining Boy Scouts or Cub Scouts please contact Mike Hayes at 931-364-4744 or Don Davis at 274-3439.

Crosslin Supply Co., Inc.

This Year Celebrating 70 Years in Business

Largest independent lumber retailer in the state of Tennessee

By Nancy Crosslin Davis

In October 1933, Frank and Mary Ester Crosslin opened a small store on the south end of Eagleville and named it Eagleville Produce Company. Through the years, their business grew and in 1940, moved the general store to the present location of Crosslin Supply Company.

Frank constructed a building to house his grocery, feed, seed and produce business. From this location, a restaurant was also operated for several years. They added three rolling stores called "peddling wagons" that traveled around the country roads selling grocery items such as coffee, sugar, fresh fruits and other items in exchange for cash, chicken, eggs and other locally produced items. Many grocery stores had drawings for cash or groceries at that time, and the night of the drawings were occasions for neighbors to linger and chat. The young folks, as well as the old, used Frank and Mary Ester's drawings for social occasions in those pre-TV days.

During World War II, many people had difficulty obtaining building products. Frank developed an interest in building houses and saw the need to add lumber and building materials to what Crosslin Supply Company offered for sale. This was the beginning of Crosslin Supply Company as a lumber and building supply company.

Crosslin Supply Company is one of the largest family owned hardware and building material centers in Tennessee. The operation was expanded to include a Smyrna Tennessee location in April of 1959. The company was incorporated in Eagleville in 1962 where it continues operation today. The company later expanded by adding a location in Franklin Tennessee in 1997 and Country Dutch Barnes in Triune Tennessee in 1998.

After the death of Frank E. Crosslin, Sr., in 1992, his son, Frank E. Crosslin, Jr., became president of the company. After his death in 2000, Kenneth W. Victory became the president of Crosslin Supply Company, Inc.

This year Crosslin Supply Company, Inc. celebrates seventy years of business in Middle Tennessee and continues to be family owned. The business has been fortunate to have many capable, loyal and knowledgeable employees who have many tears of experience. Some have seen the business change to forklifts, large trucks, computers and mobile phones which quickly contact customers.

JoAnn Shelton has been with the company for 45 years, serving as office manager for the Eagleville location as well as working for the entire corporation. Kelly Redmon became the Eagleville store manager at the death of Frank E. Crosslin, Sr. Kelly has 18 years of service. The company now employs 115 people.

Crosslin Supply Company is grateful to the many loyal customers who have supported the business during the past seventy years.

The new City Park Project is underway. The Eagleville Park & Recreation Committee is currently waiting for results from Huddleston Steel & Engineering Company before any further progress can be made.

The park entrance area has been cleared by bulldozer work which was completed by James Rigsby. This work was paid for through donations by two local residents.

Once the engineering work has been completed, steps will be taken to construct a new road into the park

COLLEGE GROVE FRIDAY NIGHT BLUEGRASS & COUNTRY MUSIC

Notes by Mary Ann Ryan—Story by Ross Scott

Every Friday night, with the exception of a holiday here and there, you can find some great music, fun times, and even a two-step at the College Grove Community Center. Around 5:30 the cars and trucks of the pickers start pulling in and shortly thereafter the sound of the guitars, fiddles, and other instruments tuning up starts humming in the air. Food and fellowship commence close to 6:30 and once the meal is over, it's time to sit back and enjoy the music. Some folks pull out their instruments and play along; some hop out on the dance

Howard Ford, Johnny McClaran, Stephen Ryan & Michael Frost

for treats, they say, and the Boswells have found that coming to the College Grove Bluegrass & Country Music is a weekly treat they enjoy together.

Who else are you likely to bump into on a Friday night? Gil Stinson brings his wife, Chris - and his guitar - from Fairview. Polly Burrow rarely misses a weekend, coming over from Nashville to enjoy the Bluegrass music. Charles and June Hood, from Franklin make it a family affair. Charles plays fiddle, and he has passed on his love of music to his grandsons, Ryan (fiddle) and Casey (guitar & mandolin). Mr. Hood's daughter, Sheila, and her husband, David, make College Grove part of their regular Friday night routine as well. Others like Debbie Chunn stay on the move. She rotates from one group of shade-tree pickers to another and sings along with every group.

Carrie & Jason

floor and cut a rug jitterbugging or waltzing to a slow one; and the rest just sit back and tap their toes. Whichever one you choose, you're sure to have the time of your life.

What started out as a one night fundraiser has become a 12 year tradition that draws lots of "regulars." The group includes Lloyd & Carlene Boswell from Winchester, who usually start their Friday routine around noon. They hop in the car and drive toward McMinnville for an afternoon of shopping. Then a steak at "Ryan's Restaurant" has their name on it. They come back through Murfreesboro and arrive in College Grove in plenty of time for the music. Retirement leaves some time

Joann and Dan Jackson set up the building for every Friday night "College Grove Bluegrass & Country Music" gathering. Joann serves hamburgers, hot dogs, chips, desserts & cold drinks and occasionally, she whips up a home-cooked meal for the crowd. Dan passes around "the jar" every Friday.

Most folks dig into their pockets or purses to donate and help out with the utilities and expenses.

Line dancing, singing, two-stepping, fiddling, toe-tapping, eating, grinning, and catching up with old and new friends. Good times for all - the young and the young at heart. Like they say at the Opry, what are YOU doing this weekend? Hope College Grove makes your list!

Dan Jackson looking on.

Here are some ideas for your garden:

Plant three rows of peas:

- 1. Peace of mind
- 2. Peace of heart
- 3. Peace of soul

Plant four rows of squash:

- 1. Squash gossip
- 2. Squash indifference
- 3. Squash grumbling
- 4. Squash selfishness

Plant four rows of lettuce:

- 1. Lettuce be faithful

The Garden

- 2. Lettuce be kind
- 3. Lettuce be patient
- 4. Lettuce really love one another

No garden without turnips:

- 1. Turnip for meetings
- 2. Turnip for service
- 3. Turnip to help one another

To conclude our garden we must have thyme:

- 1. Thyme for each other

- 2. Thyme for family
- 3. Thyme for friends

Water freely with patience and cultivate with love. There is much fruit in your garden because you reap what you sow.

Margaret's Helpful Hints

Fixtures Sparkle Remove soap and stain build-up on chrome and plastic fixtures by cleaning with a mixture of one tea-spoon salt dissolved in two tablespoons of white vinegar.

Paintbrush If a paintbrush got hard you'll get it soft again if you place it in boiling water in which you added some vinegar. Rinse the soft brush in soapsuds.

Lift candle wax that dripped onto the carpet.

Once wax has hardened, scrape up what you can with a dull knife. Put paper towels or an old, white cloth over the area; with iron on low-warm (no steam), gently press. As wax is lifted, move towels so a clean part covers the remaining wax; repeat until wax is gone. If colored wax leaves a stain, blot with spot remover or carpet cleaner, following label directions.
