Eagleville Country Horse Show

Despite one rain-out and several major regional horse shows on the same day as the Eagleville Country Horse Show, the event was a success! It could not have been possible without the support of our faithful volunteers, generous sponsors, participants and spectators.

The one-night Annual Eagleville Country Horse Show has been a tradition for over 100 years, beginning in 1908. The show bill offers a wide variety of classes, based on "FUN" for all ages, riding styles and equine breeds. In 1935, a crowd estimated at 3,000 people, largest in the history of the annual event, attended the Eagleville community horse show, then held at the Eagleville High School Grounds.

Stay tuned for next year's Country Horse Show, scheduled August 9th--barring rain, in which case, rain date is the following Saturday, August 16th.

Happy Birthday Courtney

Our family just celebrated Courtney Redmond's birthday this past week-end. Courtney's birthday was September 22nd, she enjoyed a swimming party with her friends and family this past Saturday. On Sunday, she was at her Nana's house to enjoy her favorite birthday Sunday meal (Chicken Casserole). Following the meal she was excited about opening her presents and watching a movie with her Nana and Aunt Lou. Time passes too quickly for all of us as we watch our Courtney grow up, she is now 10 years old. She is in the fourth grade at Unionville Elementary School. Her family loves her very much. From Nana, Aunt Lou, Ronnie, Jeff, Mama, Daddy, Kristen, Derik, and Brandon. Submitted by: Cathy Parham (Nana)

Letter To The Editor

Dear Editor,

Just want to say a few words of praise for The Eagleville Times former owner and editor, Debbie Ryan. For ten years Debbie did an excellent job of keeping this community informed and aware of local issues and concerns. She was also excellent at servicing advertiser accounts and promoting Eagleville and surrounding community businesses. As new owners, the standard has been set high for your continued service and journalistic news reporting to this area by Debbie Ryan.

Thank you, Debbie!

Zumba Fitness Has Come To Eagleville!

Zumba® exercise classes are “ fitness-parties “ that blend upbeat world rhythms with easy-to-follow choreography, for a total-body workout that feels like a celebration. Once you try a class, you will wonder why you haven’t tried one sooner! We would love for you to join us and see for yourself what all the buzz is about!

Classes are in the Eagleville Community Center on Tuesdays and Thursdays at 5:30 and are taught by licensed Zumba instructor and ZIN member Melissa Thomas. Melissa has been teaching Zumba and Zumba Toning in the Spring Hill and College Grove area for 3 years and is thrilled to be bringing the party to Eagleville.

Classes are currently \$7 drop in or a 10 class pass for \$50 and there are two classes to chose from. Tuesday nights are Zumba dance parties and Thursday nights are Zumba Toning. Zumba Toning uses light weights during the class to tone and sculpt the upper body and class ends with a concentration on core and glutes. If you have any questions, please contact Melissa Thomas at 615-973-3307 or melissa1999@bellsouth.net

Eagles 2-0 In District Going In To Game Against Grace Baptist

#22 Chris Hale with the only TD against Forrest

Last Friday night Eagleville and Forrest High School fought it out in Chapel Hill during a continuous mist, with Eagleville being victorious by a 10-3 score. During Eagleville's first possession running back Chris Hale scored on a 25 yard run. Hale, after scoring the only TD for the game, racked up a 111 yards rushing.

Thomas Carter had 45 yards on 9 carries. Forrest finally put 3 on the board in the 3rd quarter. Both teams played hard and for this particular game seemed pretty evenly matched on defense.

For the Eagles Thomas Carter had an interception as well as Chris Hale. On Defense James Merritt had 8 tackles and 2 assist. Maison Vallance had 3 tackles and 1 QB sack.

Friday night the 27th is Homecoming against Grace Baptist.

In The Classroom - 7th Grade Science Project

The last couple of weeks in Mrs. Pickle's seventh grade science class at Forrest Middle School, we have been discussing cells. First we talked about cells then we got to do a project. We learned all about the two types of cells (prokaryotic and eukaryotic), then learned about the two types of Eukaryotic cells: animal & plant cells. Each cell has certain organelles or structures in them that do specific jobs. For our project, we had to make a poster with a plant cell and an animal cell. Our cells had to include the following items: cell wall, cell membrane, nucleus, Golgi apparatus, cytoplasm, ribosomes, endoplasmic reticulum (rough and smooth), mitochondria, vacuoles, lysosomes, and chloroplasts. We had to diagram each cell, include a label of each organelle, and include a brief description of its job. Each label and the description had to be typed; we were not allowed to use pencil or pen! We were graded on overall presentation, spelling, grammar, neatness, accuracy, creativity, completion, and punctuality. The project counted as one test grade. My partner and I thought "outside of the box" and decided to add a little bit extra. We made "cell-ebrating" science t-shirts, which included a plant cell on the back. It was a really fun project and I hope we get to do something like it again. Pictured: Averi Allen and Brianna Stewart
